6/30/2024 ongoing \$\$\$ [EPA Environmental Justice Small Grants Program](#) – \$1.2 million, proposals are due. EPA is making available funding to tribes and non profits to support activities designed to empower and educate communities to understand environmental and public health issues and to identify ways to address these issues at the local level. The funding will focus on proposals supporting community-based preparedness and community climate resiliency efforts. Examples of community resilience projects that will receive consideration include improving water use efficiency and installing green infrastructure to increase resilience to heavy storms.
