Dear Mortgage Lender:

Thank you for your interest in the Washington State Housing Finance Commission's (the Commission) Homeownership programs. Attached please find a brief program description, our Application to Participate/Lender Questionnaire, a link to the Mortgage Origination Agreement for Idaho Housing and Finance Association and Lakeview Loan Servicing as well as Lakeview Loan Servicing email address to request a correspondent lender application if your company is not currently approved with Lakeview. We invite your mortgage lending institution to join us in helping homebuyers in Washington State achieve the dream of homeownership with our Single Family programs and suite of downpayment assistance programs. Since 1983, the Commission has financed over 105,000 loans.

In order to participate in our programs, your lending institution must:

- Be qualified to do business in the State of Washington.
- Have the ability to approve, close and fund eligible loans in your own name with your own money.
- Must have the appropriate approvals to originate FHA, VA, USDA, Freddie Mac or Fannie Mae Conventional loans.
- You must have the ability to deliver loans using MERS.
- Audited financial statements evidencing \$1,000,000 net worth.

Brokered loans do not work under the program.

Our application, both Mortgage Origination Agreements signed and correspondent lender application from Lakeview Loan Servicing is required. Your company must be approved by the Commission and both Master Servicers, and execute a Mortgage Origination Agreement with both.

Contact Lakeview Loan Servicing, LLC at crm@lakeviewloanservicing.com to obtain a Lakeview Correspondent Application.

Both Idaho Housing and Finance Association and Lakeview Loan Servicing must also approve your participation as an originator.

Please feel free to review our complete program manual at www.wshfc.org/sf/downloads.html and click on the Program Manual and Forms Download links towards the top. The current interest rate can be found on our Web site at www.wshfc.org.

Please email completed application to participate along with the required documentation to: Corinna.obar@wshfc.org. Mail applicable participation fee to:

Program Rates and Points

The current interest rate can be found on our Web site at www.wshfc.org , with loans purchased by the Master Servicers for the Home Advantage Program as follows:

Borrower Points	Loan Sale by Lender to Servicer	Net Compensation to Lender
1.00	101.25%	2.25%
0.00	102.25%	2.25%

Additional overages are not allowed.

Rate Locks & Mandatory Delivery Dates

The Mortgage Lender can reserve funds using the On-line Reservation System. Rate locks on a reservation may be made from 9:00 am – 4:00 pm Prevailing Pacific Time Monday through Friday excluding holidays.

The loan must close within 50 days of reservation and be purchased by the Master Servicer, within 60 days of reservation. Closed loan files need to be delivered to the Master Servicers within **10** days of loan closing. It is recommended the lender close the loan within 30 days of reservation to allow enough time for delivery and purchase by the Master Servicers. Lenders not meeting mandatory delivery dates will pay extension fees. Lenders not meeting mandatory delivery dates on a regular basis are subject to removal from the Program at the sole discretion of the Commission.

An extension (either 7, 15 or 30 days) to a reservation must be made electronically in writing **prior** to the expiration of the lock. An extension will require approval by the Commission and will be subject to market conditions. The cost for extension fees can be found on the Rate Lock Extension Form on the Commission’s Website at <http://www.wshfc.org/sf/HAforms.html> . Fees may be higher depending on market conditions. If the Lender fails to extend the lock prior to expiration of the reservation, the Commission is not obligated to purchase the loan.

Lenders may charge the Borrower an extension fee at loan closing. If the loan is purchased within 10 days of loan closing and before day 60, the Lender will refund the extension fee back to the appropriate party and provide proof to the Commission of the refund.

House Key Program

In order to qualify for our House Key State Bond Program, Borrowers must:

- Meet the definition of a first-time homebuyer, unless the residence is located in a targeted area;
- Annualized Gross Household Income must not exceed our income limits;
- Maximum Acquisition Cost for residence must not exceed limits;
- Attend a Commission-sponsored homebuyer education seminar.

Recapture Tax Provision

Please note the House Key State Bond program uses the proceeds of tax-exempt bonds to provide financing for first-time homebuyers. Federal tax law requires that certain homeowners may have to pay to the U.S. Treasury a portion of the sale proceeds of their residences. A portion of the sale proceeds representing the benefit derived by the borrower from the Program would be payable to the U.S. Treasury if the residence financed by a Mortgage Loan were sold within nine years of purchase at an appreciated price and if the borrower exceeds the federal income limits.

The Commission provides Mortgage Lenders with disclosure information concerning this provision of federal tax law. Mortgage Lenders will be required to disclose to borrowers this potential payment obligation at time of loan application and loan closing, but will not have any additional monitoring, collection, or enforcement responsibilities.

Program Rates and Points

The current interest rate can be found on our Web site at www.wshfc.org, with loans purchased by the Master Servicer for the House Key Program as follows:

0.00	102.25%	2.25%

Additional overages are not allowed. Loan originators are notified of new funds and program updates through Program Announcements via e-mail.
