You have applied for, or currently reside in, a rental housing unit located in a development operating under the "Low-Income Housing Tax Credit" (LIHTC) Program of Section 42 of the Internal Revenue Code. The collection of certain resident data is authorized by the Housing & Economic Recovery Act of 2008, and will be furnished to the U.S. Department of Housing & Urban Development (HUD). Each household must be offered the opportunity to disclose their race, ethnicity, and disability status. Parents/guardians are asked to disclose on behalf of all children in the household who are under the age of 18. There is no penalty for those households who do not wish to provide the requested information. However, all adult members (18 years or older) must sign/date at the bottom of this form as proof that the option to disclose was made available.

The following racial and ethnic definitions are modeled after the OMB-approved form, “Race and Ethnic Data Reporting Form” (HUD-27061), used by the U.S. Department of Housing and Urban Development (HUD):

A. Household members can select one or more of the following applicable racial definitions:

**White** - A person having origins in any of the original peoples of Europe, the Middle East or North Africa.

**Black or African American** - A person having origins in any of the black racial groups of Africa. Terms such as “Haitian” or “Negro” can be used in addition to “Black” or “African American.”

**American Indian or Alaska Native** - A person having origins in any of the original peoples of North and South America (including Central America), and who maintains tribal affiliation or community attachment.

**Asian** - A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

**Native Hawaiian or Other Pacific Islander** - A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

B. Household members can select one of the following applicable ethnic definitions:

**Hispanic or Latino** - A person of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race. The term “Spanish origin” can be used in addition to “Hispanic” or “Latino.”

**Not Hispanic or Latino** - A person not of Cuban, Mexican, Puerto Rican, South or Central American, or other Spanish culture or origin, regardless of race.

The following definition of “disabled” comes directly from the Fair Housing Act:

C. Per the Fair Housing Act, the definition of disabled is:

- A physical or mental impairment which substantially limits one or more major life activities; a record of such an impairment; or being regarded as having such an impairment. For a definition of “physical or mental impairment” and other terms used in this definition, please see 24 CFR 100.201, available at: [http://www.fairhousing.com/index.cfm?method=page.display&pagename=regs_fhr_100-201](http://www.fairhousing.com/index.cfm?method=page.display&pagename=regs_fhr_100-201).

- “Handicap” does not include current, illegal use of or addiction to a controlled substance.

- An individual shall not be considered to have a handicap solely because that individual is a transvestite.

Self-Employment Income Worksheet

**Purpose:** To assist in determining self-employment income.

**Special Mention:**
- The line numbers mentioned in this form are from Schedule C, IRS 1040 forms (2011).

**Income from a Business**

When calculating annual income, owners must include the net income from operation of a business or profession including self-employment income. Net income is gross income less business expenses, interest on loans, and depreciation computed on a straight-line basis.

- In addition to net income, owners must count any salaries or other amounts distributed to family members from the business, and cash or assets withdrawn by family members, except when the withdrawal is a reimbursement of cash or assets invested in the business.

- When calculating net income, owners must not deduct principal payments on loans, interest on loans for business expansion or capital improvements, other expenses for business expansion, or outlays for capital improvements.

- Excessive amounts claimed on lines 24 and 27 need to be explained.

- If the net income from a business is negative, it must be counted as zero income. A negative amount must not be used to offset other household income.

**Specific Instructions:**

1. Enter name of property and unit number.
2. Print applicant’s or resident’s name.
3. Follow line-by-line instructions on the form to determine self-employment income.

The completed *Self-Employed Income Worksheet* should be placed on top of the IRS 1040 with Schedule C and other appropriate schedules.

<tr>

Other lines on Schedule C to take into account:

- Line H – If the tax return does not include a full year of self-employment earnings, then the income will need to be annualized.
- Line 24 – Travel and Meal expenses must be reasonable for the type of business.
- Line 27 – Other expenses must be detailed on the second page and be reasonable for the type of business.

Other considerations:

- Any cash withdrawals or payments made to expand the business need to be included in self-employment income.
- Any cash withdrawals or payments made by or to family members must be counted as income (unless resident can document that withdrawals are reimbursement of amounts previously invested in the business). The amount calculated above represents business income for the given tax year. Anticipated income for the next 12 months may be different. If the resident expects to earn less, obtain a written explanation why s/he expects to earn less. If it is anticipated to be more – include the higher amount.
- The amount on Line 12, “Business income or (loss)” on form 1040 should equal “Net profit or (loss)” on Line 31 of Schedule C. If it does not, then the resident may have, or have had another business, and should have another Schedule C.
- All other income and assets disclosed on the tax return must be accounted for.
- Tax return must be signed by the resident(s).
- If net income from business is negative it must be counted as zero income. A negative amount may not be used to offset other household income.

Do Not Include in Expenses:

- Principle Payments on Loans
- Interest on Capital Improvement or Business Expansion Loans

Do Not

- Offset any other family member income
**Purpose:** This form should be completed by self-employed applicants.

**Note:** If the applicant/resident has been self-employed long enough to have filed a tax return, this form does not take the place of a tax return but rather should be used in conjunction with the tax return including appropriate schedules.

**Specific Instructions:**

1. Enter property name and unit number.
2. Resident writes his/her name here.
3. Resident enters name of business.
4. Resident enters business mailing address and phone number.
5. Resident enters type of business and tax payer identification number.
6. Resident enters date business began and position or occupation.
7. Resident enters past year’s income.
8. Resident enters what s/he expects to earn for the year.
9. Resident indicates if business had been continuous and the number of months per year. If the business has not been continuous place a check mark in the “No” box.
10. Resident checks the appropriate box.
11. Resident signs and dates.

Under $5,000 Asset Certification or Sworn Statement of Net Household Assets

**Purpose:** This form is used if the applicant's/resident's assets are less than $5,000.

**Note:** All household members 18 years or older need to initial, date, and sign this form. If assets exceed $5,000, you must verify the income received from the assets using third party verification or by providing the most recent complete, signed federal income tax return.

**Specific Instructions:**

1. Have residents read, initial and date page one.
2. Enter property name and unit number.
3. Enter full name of resident(s).
4. If household assets do not exceed $5,000, resident writes the amount of annual income received from the asset.
5. Residents sign and date form.
UNDER $5,000 ASSET CERTIFICATION OR SWORN STATEMENT OF NET HOUSEHOLD ASSETS

Included for your use is a Sworn Statement of Net Household Assets ("Sworn Statement") with the Definition of Net Household Assets as described in 24 CFR 813.102. Revenue Procedure 94-65 of the Internal Revenue Code requires this form to be used by residents, whose net household assets are less than $5,000, to meet the asset requirements of the tax credit program.

Owners and managers should be aware that this form is only to be used to satisfy requirements for income from assets. Furthermore, the owner and management company should be aware that you may not rely on this statement if a reasonable person in the owner’s or management company’s position would conclude the resident’s asset income is higher than the annual asset income represented in the application. In this case, you must obtain other documentation of the resident’s annual asset income to satisfy program requirements.

Each potential or existing qualified resident whose net household assets are less than $5,000 is required to read and sign the Sworn Statement. A copy of the Definition of Net Household Assets must be attached to the Sworn Statement. The original signed statement must remain with your files.

The Commission will review the sworn statement and other income documentation for qualification and signatures when reviewing project documentation.

DEFINITION OF NET HOUSEHOLD ASSETS
24 CFR 813.102

Net Household Assets means the cash value, after deducting reasonable costs, that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investments, excluding interests in Indian trust land and the equity in a housing cooperative unit or in a manufactured home in which the household resides. The value of necessary items of personal property such as furniture and automobiles shall be excluded. (In case where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining Annual Income under 813.106.) In determining net household assets, owners shall include the value of any business for household assets disposed of by an applicant or resident for less than fair-market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or re-examination, as applicable, in excess of the consideration of a disposition as part of a separation received thereof. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair-market value if the applicant or resident receives important consideration not measurable in dollar terms.

Purpose: Use this form to determine an applicant’s/resident’s income derived from real estate assets.

Specific Instructions:

1. Enter name of property and unit number.
2. Enter applicant’s/resident’s name.
3. The value of the real estate should be entered here. This figure could be the selling price (if the property is up for sale), the tax assessors assessed value for taxation purposes, or the appraised value.
4. If there is an outstanding lien, such as a deed of trust or mortgage against the property, the balance owing, as reflected on a statement from lien holder, goes here.
5. Enter balance of second deed of trust, if applicable.
6. Enter 10% of value for selling cost. To arrive at this figure multiply the value of the real estate by 10%.
7. Enter any other deductions for additional liens, or buy-in or entrance fee to life-care facility (a statement will need to be obtained from resident). A letter is required from the life-care facility to verify the entrance fee.
8. Enter the balance after deducting items 4 through 7. You then multiply by HUD passbook rate.* There may be instances where your calculation will show a negative amount. This is acceptable. It basically means they are not realizing any funds from real estate and therefore have nothing to value.

* Note: When this form was updated, HUD’s current passbook rate was 2%. Check our website for rate changes.

If real estate is rented, you will need to obtain a copy of the resident’s signed federal tax return complete with all schedules as well as a copy of the rental agreement.

If real estate was sold on contract, you will need to obtain a copy of the contract and determine whether there is an underlying mortgage and if so, the interest rate. This information will determine which method you will use for figuring income. The easiest method is to obtain a copy of their signed federal tax return with all schedules.

If real estate is currently listed for sale, obtain a copy of the listing agreement. If the sale is pending, obtain a copy of the RESPA statement, which will reflect the net proceeds. If the transaction has closed recently, request a HUD –1 Settlement Statement.

Student Certification

**Purpose:** All RD/HUD households **must** complete this form unless the Commission’s forms such as the *Resident Eligibility Application (REA)* are being used. For straight tax credit properties this form only needs to be completed when **all** household members are or will be students to show that they are eligible for the program under certain criteria.

**Note:** See Chapter 2 of the *Tax Credit Compliance Procedures Manual* and Frequently Asked Questions on our website for more information about the definition of a fulltime student.

**Special Mention:**
- To verify past participation in foster care the Owner must obtain written verification from a state foster care administrative entity (DSHS in Washington State) that the student was previously in a foster care program. Washington State DSHS has informed us that residents could obtain this information with a Social Security number. If the Owner agent is unable to obtain written verification directly from DSHS, the Commission will allow copies of documentation directly from the resident as proof of this exception to the fulltime student rule.

- A *Student Status Verification* form is available to send to education institutions to determine if an individual is a fulltime student.

**Specific Instructions:**
1. Enter property name and unit number.
2. Enter applicant’s/resident’s name.
3. Applicant/resident checks A, B, or C.

TAX CREDIT LEASE RIDER
(to be attached to resident lease)

Property Name: (1) Unit: (1)

Applicant/Resident Name: (2)  

Dear Applicant or Existing Resident:

Summary
The owner(s) of this property rents residential units under the federal Low-Income Housing Tax Credit Program (the "program") as administered by the Washington State Housing Finance Commission (the "Commission"). Under the program, the owner(s) can qualify for federal IRS tax credits by renting some or all of the units in the property to low-income households and restricting the rents for those units. In addition the owner may have agreed to reserve some of the units in the property for households or persons with special needs. (See the special-needs section below.) This rider was prepared to help residents understand the program.

Income and Rent Limits
The Commission gives the owner(s) new income and rent limit tables each year. This property has agreed to reserve some or all of the units for households at or below the 30, 35, 40, 45, 50 or 60% income limits found on these tables. The rent tables show the maximum rent a property can charge for a unit based on a household's income, number of bedrooms in the unit or the number of people in the household. Some properties have more than one income limit. Ask the property representative for specific information.

Annual Recertification
To be eligible for a rent- and income-restricted unit, all income and assets of any household members 18 years and older must be documented and verified. The owner(s) or manager of this property will give you the required forms to declare and verify income and assets from all sources. They may also ask you for supporting documentation. The program requires each existing household to recertify or complete a new set of the required forms at least once every 12 months.

Since this program involves IRS tax credits, the Commission and everyone involved with this program is under growing pressure to prevent fraud. Your forms must be prepared carefully, with every question answered. Annually, you will be signing a document under penalty of perjury, saying that the information and verifications submitted are correct. Households who do not properly complete their paperwork may not qualify for residency or may be required to vacate their income- and rent-restricted unit.

A property that has more than one income/rent limit can switch a household to a higher or lower income/rent limit, based on the household's income at recertification. Ask the property representative for specific information.
Special Needs
The owner(s) of this property may have chosen to reserve some of the program units for households that have special needs. Units could be reserved for households that meet the program definition for large household, disabled, elderly, homeless housing or farmworker. Households or individuals applying for one of these special needs units will be required to verify their eligibility. Ask your property representative for specific information.

Fulltime Student Households
A household where each member is a full-time student may not qualify for an income- and rent-restricted unit. A household where everyone becomes a full-time student after move-in may no longer qualify for an income- and rent-restricted unit. I agree to notify management immediately if my student status changes. Any change in student status (for you or any other household member) could affect your eligibility to participate in this program. Ask your property representative for specific information.

Property Standards
The property must comply with federal housing policy governing nondiscrimination and accessibility. In making an apartment available, the owner(s) cannot discriminate against you because of your race, creed, color, sex, national origin, marital status, age, disability or familial status. Furthermore, the owner(s) cannot discriminate against you based on the sources of your income (including Section 8 subsidy), provided the sources of income do not violate any federal, state or local law. Additional state, local laws or ordinances may also apply. When selecting residents, the owner(s) cannot apply standards to a potential resident that are more burdensome than standards applied to any other potential or existing resident.

Good Cause Evictions/Nonrenewals
The owner is prohibited from evicting you, and is prohibited from refusing to renew your lease or rental agreement, other than for “good cause.” Generally, good cause shall mean the serious or repeated violation of material terms of the lease or a condition that makes your unit uninhabitable. Any termination or non-renewal notice must state the specific factual violations. Under federal law, you have the right to enforce this requirement in state court as a defense to any eviction action brought against you.

By signing below, I indicated I have read and discussed information included in this lease rider. I have been given a copy of this lease rider along with my lease.

Dear Potential Resident/Existing Resident:

This apartment Project was financed with bonds issued by the Washington State Housing Finance Commission (the “Commission”). Under this program, the Owner received a below-market interest rate on his/her mortgage loan in exchange for renting a portion of his/her building to income-qualified individuals.

This apartment and the Commission spell out how to measure, report, and verify income under this program to ensure that the Property is reaching those individuals for whom it was designed. Substantial assets are converted by formula and included in the income total. Special rules are used for fulltime students. All income and assets must be documented and verified. The on-site personnel of the Property will provide the forms each Resident will be required to submit.

Because of the growing pressure on the government and the Commission to combat fraud, these forms must be prepared carefully so that every question is answered and that all answers are clearly legible. “N/A” (not applicable) should be written in all sections which do not apply.

For Projects that were funded under the new tax Code, annual recertification is required for all participating Residents. This means that a new set of these same forms must be completed annually. Again, all information must be accompanied by documentation. Once a new Resident is certified, s/he continues to be eligible until his/her income reaches 140% of the area median gross income. However, the Owner cannot evict him/her on the basis of his/her income, and the Property remains in compliance as long as the next available Unit is rented to a Qualified Resident.

All housing in this Property will be operated in a manner consistent with federal housing policy governing nondiscrimination and accessibility, as determined under the Americans with Disabilities Act, the Fair Housing Amendments Act of 1988, the rules and regulations of HUD, and federal, state, and local laws now provided or which may hereafter be provided.

To that end, the Owner shall not discriminate in making rental Units available for occupancy on the basis of race, creed, color, sex, national origin, religion, marital status, age, or disability. Furthermore, the Owner shall not discriminate against any Resident or potential Resident on the basis of that Resident’s sources of income provided such sources of income are not in contravention of any federal, state, or local law.

All Units set aside for occupancy by individuals who meet the low-income or special-needs criteria of the program will be of the same quality construction as all other Units and will be
equipped and maintained in the same manner as all other Units (not including luxury amenities such as fireplaces).

When selecting Residents for occupancy, the Owner shall not apply selection criteria to a potential Resident that is more burdensome than selection criteria applied to any other Resident or potential Resident; and the Owner shall take into consideration the rental history of such potential Resident as evidence of the ability to pay the applicable rent, so long as: (i) the rental history is of a term of at least one year; and (ii) the history shows that the Resident has paid at least the same percentage of his/her income for rent during that period as s/he will be required to pay for the rent of the Unit for which s/he is applying.

LEASE RIDER FOR ARRA SUBSIDY PROPERTY
(to be attached to resident lease)

Property Name: (1) ___________________________ Unit: (1) _______________________

Applicant/Resident Name: (2) ___________________________

Dear Applicant or Existing Resident:

Summary
The owner(s) of this property rents residential units under certain federal American Recovery and Reinvestment Act Subsidy Programs (the "program") as administered by the Washington State Housing Finance Commission (the "Commission"). Under the program, the owner(s) can qualify for federal subsidies by renting some or all of the units in the property to low-income households and restricting the rents for those units. In addition the owner may have agreed to reserve some of the units in the property for households or persons with special needs. (See the special-needs section below.) This rider was prepared to help residents understand the program.

Income and Rent Limits
The Commission gives the owner(s) new income and rent limit tables each year. This property has agreed to reserve some or all of the units for households at or below the 30, 35, 40, 45, 50 or 60% income limits found on these tables. The rent tables show the maximum rent a property can charge for a unit based on a household's income, number of bedrooms in the unit or the number of people in the household. Some properties have more than one income limit. Ask the property representative for specific information.

Annual Recertification
To be eligible for a rent- and income-restricted unit, all income and assets of any household members 18 years and older must be documented and verified. The owner(s) or manager of this property will give you the required forms to declare and verify income and assets from all sources. They may also ask you for supporting documentation. The program requires each existing household to recertify or complete a new set of the required forms at least once every 12 months.

Since this program involves federal subsidies, the Commission and everyone involved with this program is under growing pressure to prevent fraud. Your forms must be prepared carefully, with every question answered. Annually, you will be signing a document under penalty of perjury, saying that the information and verifications submitted are correct. Households who do not properly complete their paperwork may not qualify for residency or may be required to vacate their income- and rent-restricted unit.

A property that has more than one income/rent limit can switch a household to a higher or lower income/rent limit, based on the household's income at recertification. Ask the property representative for specific information.
Special Needs
The owner(s) of this property may have chosen to reserve some of the program units for households that have special needs. Units could be reserved for households that meet the program definition for large household, disabled, elderly, homeless housing or farmworker. Households or individuals applying for one of these special needs units will be required to verify their eligibility. Ask your property representative for specific information.

Fulltime Student Households
A household where each member is a full-time student may not qualify for an income- and rent-restricted unit. A household where everyone becomes a full-time student after move-in may no longer qualify for an income- and rent-restricted unit. I agree to notify management immediately if my student status changes. Any change in student status (for you or any other household member) could affect your eligibility to participate in this program. Ask your property representative for specific information.

Property Standards
The property must comply with federal housing policy governing nondiscrimination and accessibility. In making an apartment available, the owner(s) cannot discriminate against you because of your race, creed, color, sex, national origin, marital status, age, disability or familial status. Furthermore, the owner(s) cannot discriminate against you based on the sources of your income (including Section 8 subsidy), provided the sources of income do not violate any federal, state or local law. Additional state, local laws or ordinances may also apply. When selecting residents, the owner(s) cannot apply standards to a potential resident that are more burdensome than standards applied to any other potential or existing resident.

Good Cause Evictions/Nonrenewals
The owner is prohibited from evicting you, and is prohibited from refusing to renew your lease or rental agreement, other than for “good cause.” Generally, good cause shall mean the serious or repeated violation of material terms of the lease or a condition that makes your unit uninhabitable. Any termination or non-renewal notice must state the specific factual violations. Under federal law, you have the right to enforce this requirement in state court as a defense to any eviction action brought against you.

By signing below, I indicated I have read and discussed information included in this lease rider. I have been given a copy of this lease rider along with my lease.
