Some of the following materials will be submitted annually, others only if a change has occurred. Check the Matrix carefully to see what each Funder requires and only send what each Funder asks for.

**Financial statement or audit** – This item should be submitted in accordance with the requirements for financial statement and/or audit submission in your contract for this project. Over the years, audit requirements have changed, but unless your contract has been amended to reflect those changes you should be abiding by the language in your contract with us.

**Copy of current insurance certificates** – This item should be submitted each year, if it is required by your contract. In general, funders require evidence of property insurance & certificate of liability insurance (required levels and type of coverage specific in contract) with funder named as “additional insured”, “certificate holder” and/or “loss payee”. Review your funder contracts for specifics.

**Copy of reserve account(s) bank statements** – If required by your Funder, this item should be as of 12/31 and must match with the reserve account balances as reported on Tables 4a and 4b.

**Marketing materials or statement explaining approach to affirmative marketing** – Submit copies of any marketing materials that occurred in the reporting year (copies of ads, flyers, notices etc.), as well information on the results/outcomes of your marketing efforts. If your affirmative marketing plan has not changed from the previous year, and a copy was submitted previously, do not send again. Otherwise, send all new and/or revised marketing plans.

**Copy of fair housing complaints and disposition** – These items will be submitted for the year in which they occur and/or for previous year’s disposition of an earlier complaint. Include any notes or comments you think are appropriate.

**Description of any neighborhood complaints and outcomes** – These should be submitted for the reporting period in which they occur. Include notes and remarks as appropriate.

**Management plans** – Submit this item only if changes have been made from previous versions of the project’s management plan. If a plan had not been submitted, submit it now.

**Capital Needs Assessment** – If you have a CNA, or a revision to a CNA previously submitted, send a copy for the project. If we have your most current CNA, do not send again.

**Changes in services** – If your project is required to provide services to your tenants and changes to those services have been implemented or are being planned, submit a copy of the changes.

**Homelessness Waiver Approval Forms** – If applicable, submit all Homelessness Waiver Approval Forms and corresponding original homelessness documentation completed for the year.
