

MORTGAGE CREDIT CERTIFICATE PROGRAM
Washington State Housing Finance Commission

NOTICE OF MCC FEE GUIDELINES

(To be signed at time of MCC application)

As a potential applicant for a Washington State Housing Finance Commission mortgage credit certificate (MCC), an MCC Fee will be required. The \$650.00 MCC Fee will be collected by the escrow company at the time of your loan closing.

You lose the MCC Fee, if the Washington State Housing Finance Commission accepts the MCC reservation request and the MCC is not completed and issued.

It is not the intent of the Washington State Housing Finance Commission to cause financial harm to applicants, but refunds are not granted.

I (we) have read these guidelines and understand the associated risk of losing the MCC Fee.
