The open public hearing will be held at 8:30 a.m., or as soon thereafter as the consideration of any other Commission business will allow, on *Thursday May 17th, 2012* in the Commission’s **Board Room, 1000 Second Avenue, 28th Floor, Seattle, Washington**. The Commission will consider the public testimony and written comments in determining if the projects will receive Credits; however, the Commission will not consider testimony and written comments regarding land use, zoning, and environmental regulation, which should be directed to the local jurisdictions that are authorized to consider these matters when issuing building permits for the project.
