

Public Engagement at Commission Meetings

Members of the public are welcome at all the meetings of the Housing Finance Commission board. These include monthly business meetings as well as work sessions, which typically take place quarterly.

Sharing Your Thoughts

We are committed to providing a fair, respectful and safe opportunity for all voices to be heard. Public comment is not part of Commission work sessions, but business meetings offer two opportunities:

• Public hearings (specific topics):

Most Commission meetings begin with public hearings on specific financing projects or other decisions that will come to the Commission for a decision in the near future. Please limit comments during this time to those directly related to the hearing topic.

• Public comment period (any topic):

During this period, which takes place at the end of the business meeting, the Commissioners listen to public concerns and comments on any topic related to the work of the Commission. Anyone who wishes to speak can take this opportunity. The starting time for the public comment period depends on the length of the Commission's other business.

The Commissioners may not respond to your comment or question during the meeting, but staff may follow up with you with your consent.

• Zoom Chat

The chat feature is disabled in all Commission meetings and work sessions, as phone attendees cannot participate.

Raising Your Hand

The meeting chair will ask you to "raise your hand" or otherwise indicate that you would like to speak. If online, use the Zoom "raise hand" feature. Attendees on the telephone can press *9 to "raise a hand." Whether or not you are able to virtually raise a hand, the chair will provide time and opportunity for all to share their comments before closing the public comment period.

Community Standards

- Please keep your comments brief (2 minutes). The chair may ask you to bring your statement to a close after that time, especially if others are waiting to speak.
- Please keep your comments respectful. Any remarks or behavior that is rude, abusive, or
 otherwise disruptive will not be tolerated. This specifically includes slurs regarding protected
 classes as outlined by federal and state statute, such as race/ethnicity, disability, religion, sexual
 orientation, gender identity, etc. For complete list of state protected classes, visit hum.wa.gov.
- Those who do not follow these standards will be asked to leave or removed from the meeting.

Energy & Affordable Housing

- Climate change disproportionately impacts lowincome and disadvantaged communities
- Energy is one of the most manipulable costs related to housing
- Investing in clean energy reduces operating costs and emissions
- Energy upgrades are key to preservation

Sustainable Energy Trust (SET)

New construction of energy efficient single-family homes

• Developers only

Energy and water efficiency retrofits for multifamily housing and nonprofit facilities

- Reduce utility consumption by at least 10%
- Structure loans so energy savings > debt service

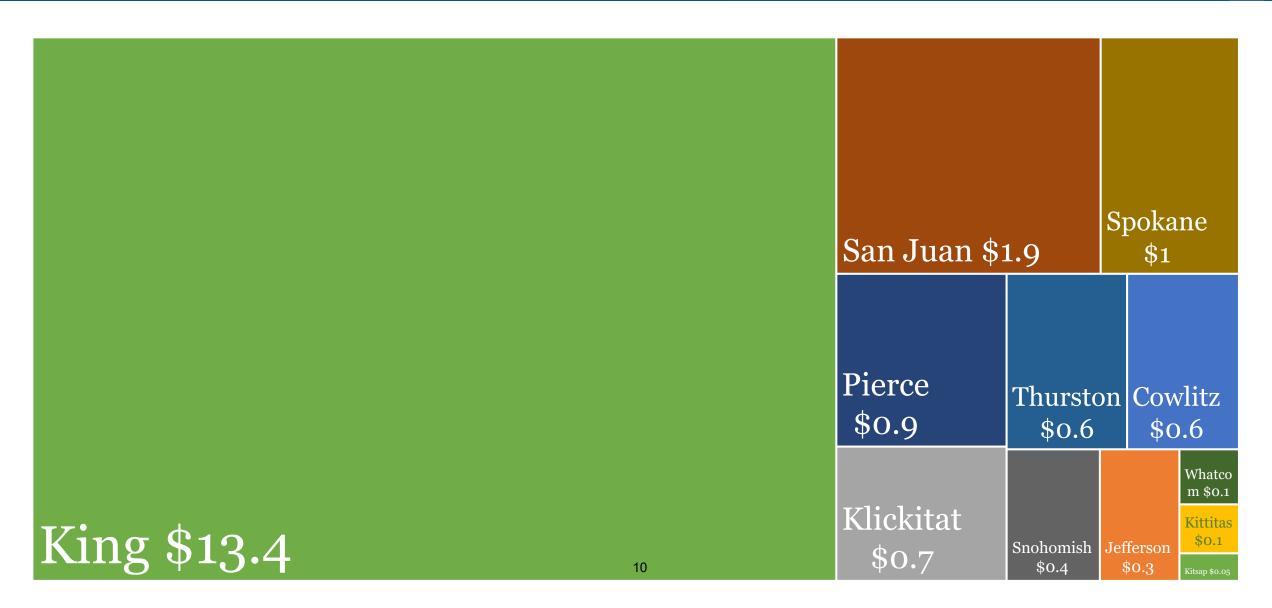

Clean Energy Projects

- Solar is the most common
- Not available for single-family

Final Legislative Report Summary and Status Update: Stabilizing Rents for Tenants in State Funded Affordable Housing

February 27, 2025

Jackie Moynahan

Senior Policy Advisor, Multifamily Housing and Community Facilities Division

Tara Woodruff

Data Consultant, Multifamily Housing and Community Facilities Division

Guiding Principles/Values

Housing stability is an essential foundation

Important to preserve financial and physical health of rent-restricted housing properties

Property owners rely on subsidies to operate and provide services, these resources are limited

Low-income residents need manageable rent increases to avoid displacement, particularly BIPOC residents

We acknowledge that these values may inherently be in conflict and seek to find balance to ensure that both residents and the buildings within which they live are healthy and stable.

Context Reminders and Updates

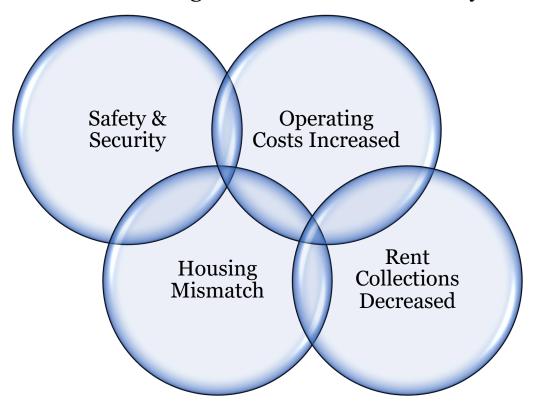

HUD Methodology and Rent Limits

- **Myth Busting!** Rents are not set to 30% of a household's income. **Only** public housing and Section 8 rental assistance subsidies use that methodology.
- HUD's rent limit methodology is based on median income data from the Census Bureau's American Census Survey (ACS).
- **NEW in 2024-** HUD implemented a **10% cap on year over year income increases**, which in turn caps the annual change in rent limits to 10% as well.

Context Reminders and Updates continued

Affordable Housing Portfolio Challenges

Issues highlighted in the Interim Report continue to persist and we are coordinated with public funder partners to further investigate those issues to identify solution-oriented strategies.

Rent Burden in State-Funded Affordable Housing

- Rent Burden: Spending 30% or more of monthly income on rent.
- Washington Department of Commerce Housing Trust Fund, HOME, NHTF
- Washington State Housing Finance Commission LIHTC 2023 active portfolio
- Only <u>households without rental assistance</u> were included in the analysis represented in the report.
- Commerce and the Commission conducted separate analyses of their portfolios.
- 40% of projects were under joint regulatory agreements between Commerce and the Commission.

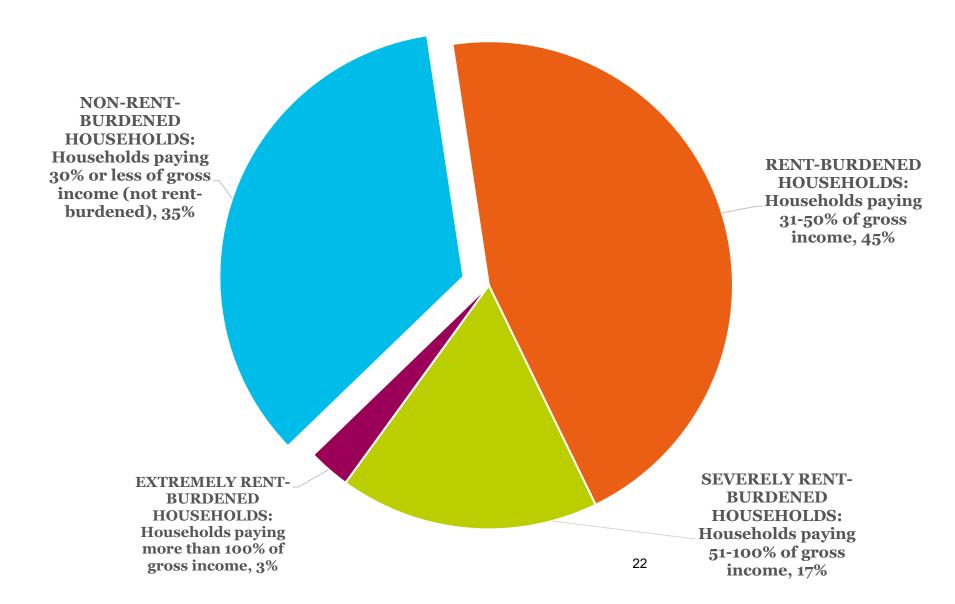

Commission 2023 Portfolio Summary

- In 2023, there were 1,103
 projects and 94,286 rent and income restricted units in the WSHFC portfolio.
- 54% of units were set aside at60% AMI
- 19% of units were set aside at50% AMI
- 15% of units were set aside at 30%-40% AMI

Athena Group Insights Report - Highlights

Concerns:

- o Income Based AMI Model
 - Not representative of what is affordable to residents.
 - Residents emphasized need to cap rents at 30% of income.
 - Residents are struggling to pay rent and making tough choices about food, utilizes and other heath choices

o Operations & Administrative Challenges

- Rising operating costs
- Differing and overlapping jurisdictional policies
- Long eviction process, cited by property managers, hinders their ability to provide housing.
- Developers and property managers also cited safety concerns, and a need to balance the financial circumstances.

Athena Group Insights Report - Highlights

Requests:

- More Support Systems
 - Include wrap around services for residents.
 - Provide support and training for eviction prevention.
 - Increased access to rent subsidies and operational funding supports

Predictability

- Clarity on rent increases.
- Transparent lease terms support long-term stability and build trust between residents and property managers.

❖ See Community and Stability: Key Insights from Rent Stabilizatior Listening Sessions to Shape Equitable Housing, December 2024.

Athena Group Insights Report - Highlights

Engagement Recommendations:

- Continue to create and deepen relationships with all interested parties.
- Design intentional follow-up sessions with focused, customized discussions.
- Be transparent throughout process and use feedback loops to communicate status, review updates, and progress with participants.

Potential Strategies to Consider: Work Continues in 2025

Lease Related

- ★ Limit frequency of rent increases
- Require termedleases
- ★ Longer noticing periods for rent increases

Incentives and Policies

- Incentivize rents below max allowable AMI limit
- ★ Rent cap policy

Supports

- Resident-centered best practices and technical assistance
- ★Increase rent subsidies and/or operating and maintenance funds

- ❖ Identified strategies will need to be assessed for staffing capacity and administrative impacts to support successful implementation. See "Potential policy considerations," pages 23-24 of the Final Report.
- ★ Indicates intersection with other legislative activities beingstracked

- LAP funds are still rapidly being deployed, but there are gaps in the market
 - Aligning with Commission Homeownership programs and addressing single-family development/supply
 - Potentially expanding to emerging For-Profit developers
 - Rethinking outcomes around long term affordability vs wealth building
 - Increasing AMI to match Homeownership programs

WASHINGTON STATE HOUSING FINANCE COMMISSION MINUTES

January 23, 2025

The Commission meeting was called to order by Chair Nicole Bascomb-Green at 1:02 p.m. in the Board Room of the Washington State Housing Finance Commission at 1000 Second Avenue, Suite 2700, Seattle, Washington 98104 and via Zoom. Those Commissioners present via Zoom were: Alishia Topper, Bill Rumpf, Brian Surratt, Lowel Krueger, and Michone Preston. Chair Bascomb-Green, and Commissioners Ken Larsen, Mike Pellicciotti, and Pedro Espinoza were present in-person in the Board Room.

Mr. Steve Walker, Executive Director, noted that this was the first Commission Board Meeting held in the Commission's newly renovated and condensed office space, located on the 27th Floor at 1000 2nd Avenue, as its total office space footprint went from two floors to one floor.

Approval of the Minutes

The December 12, 2024 Commission meeting minutes were approved as distributed.

Employee Recognition

Mr. Bob Peterson, Deputy Director, stated that every quarter, the Commission recognizes 1) staff tenure through Years of Service awards; 2) any individual/group Special Achievement awards; and 3) the recipient(s) of the Employee of the Quarter award, and yearly, the Employee of the Year award.

He reminded Commissioners that Employee Recognition is a 100% peer-driven program and thanked the following members of the Employee Recognition

Committee: Tera Ahlborn, Allie Delano, Kat Komin, Tanya Scratchley, and Miyuki Rapp.

Mr. Peterson then announced the Years of Service awards to be awarded this quarter:

Two Years:

Franchesca Cornelio Jackie Moynahan Kate Rodrigues

Five Years:

Heidi McMahon

Steve Walker (for his current tenure as Executive Director!)

Ten Years:

Richard "Rich" Zwicker

Mr. Peterson then stated that for the upcoming recipient(s) of the Employee of the 4th Quarter, Employee of the Year, and two groups of Commission staff receiving the Outstanding Special Achievement Group Awards, the theme was all centered on the work in the past two years to reimagine the Commission's workspace as it moved towards becoming a hybrid/teleworking organization.

Employee of the 4th Quarter, 2024 & Employee of the Year, 2024– *Ashley Shtikel*:

Mr. Peterson then presented the Employee of the 4th Quarter, 2024 & Employee of the Year, 2024 awards:

"This person is recognized as Employee of the Fourth Quarter **and** Employee of the Year for her exceptional contributions, dedication, and positive impact on our team. Her ability to handle stress with grace and maintain a "can-do" attitude makes her a steady and inspiring presence. Her creativity and vision were instrumental in developing and executing design plans, making thoughtful

decisions, and ensuring every detail of the office remodel project—from conception to completion—was handled with care. Her persistence in tackling challenging tasks, often stepping in where others hesitated, ensured the success of our recent move and highlighted her commitment to excellence.

Beyond these accomplishments, her thoughtfulness and teamwork have left a lasting impression. Whether hauling plants, organizing new dishes, or donating supplies to a school in need, her actions reflect her dedication to supporting both her team and her community. Their proactive communication kept everyone informed, while her responsiveness and kindness made staff feel heard and valued during a time of significant transition. The success of this project, marked by innovative ideas and a beautifully transformed and inclusive space, is a testament to their leadership, creativity, problem-solving, and unwavering commitment to outstanding service.

Congratulations, Ashley Shtikel! Employee of the Fourth Quarter <u>and</u> the Employee of the Year for 2024!!"

Special/Outstanding Group Achievement Award- *IT Division*:

Mr. Peterson then presented the first of two Special/Outstanding Group Achievement awards:

"The IT Division played a pivotal role in preparing the Commission for its recent office reconfiguration. From reimagining the technological needs to creating a forward-thinking workspace that incorporates cutting-edge technology at every tum, the team has demonstrated exceptional dedication and expertise.

Under the leadership of Bob Woodard, and with the support of:

Alex Yim
Allen Luong
Hilina Bereded
Mary Lightle
Matt Vickery

and

Ian Brown

The IT Division was responsible for overseeing the planning and management of the Commission's technological infrastructure. This included a comprehensive review of all hardware systems, cloud management, and the implementation of new software to support the workstation reservation system-all while continuing to address the Commission's daily operational needs.

As we know, IT is a 24/7/365 or 366 responsibility. Much of their work had to be carried out outside of regular business hours, balancing the demands of their professional responsibilities with personal commitments to family and friends. During this time, the IT Division also transitioned from being part of the Administration Division to becoming its own distinct division, further enhancing its focus and capability.

In addition to planning and implementing new hardware, software, and systems, the team also took on the task of disposing of surplus, outdated equipment, freeing up two floors of office space.

The result is a reimagined, consolidated office of the future, equipped with technology that will evolve as we move forward.

Congratulations and heartfelt thanks to Bob, Alex, Allen, Hilina, Mary, Matt, and Ian, for your outstanding efforts in creating a newly reconfigured, technology-driven office space!"

Special/Outstanding Group Achievement Award- *Migration Committee*:

Mr. Peterson then presented the second of two Special/Outstanding Group Achievement awards:

"The Migration Committee was tasked with overseeing the planning and management of the Commission's office lease, which was set to expire on June 30, 2024. Part of our transition to a hybrid work model involved downsizing and

reconfiguring office space, and thus the decision was made to downsize from two floors to a single floor. The Commission has been operating for nearly 30 years at this location, and this was our chance to think outside the box and create something new that would meet current and future needs in a cost-effective manner.

The committee, composed of:

Ashley Shtikel
Vicente "Vic" Mijares
Kari Zimmerman
Tera Ahlborn
and
Bob Woodard,

dedicated the past two years to reimagining the Commission's office footprint. This process involved hiring a commercial real estate broker to find office space that met our future needs, which led the team to explore numerous buildings in the Seattle Financial District, and even review unsolicited space offers.

After thorough evaluation, the decision was made to consolidate to one floor in our current building. The committee then retained an architect to assist with design and began lease negotiations with our current landlord. These negotiations required collaboration with the State Department of Enterprise Services (DES), pro bono legal counsel, and months of effort. The committee offered staff an opportunity to provide feedback that was incorporated into the office design. Added to this we had to vacate two floors at different times within the process! Many years' worth of 'memories' had to be evaluated and either saved, recycled or in some instances disposed of.

This was a Herculean effort that eventually involved <u>all</u> Commission staff! As you can imagine the process had its ups and downs and the committee responded professionally with a positive can-do attitude and lots of perseverance.

The result is a beautifully designed, consolidated office space that also provided the Commission with financial savings, a true reflection of the hard work and dedication of the Migration Committee.

Congratulations to Ashley, Vic, Kari, Tera, and Bob W. for your outstanding efforts in creating the newly reconfigured office space!"

Mr. Walker added that he also thanked and recognized Mr. Peterson as a member of the Migration Committee and offered his congratulations for his leadership and for his outstanding efforts, along with all the members of this committee previously mentioned.

Chair Bascomb-Green congratulated all of the award recipients.

Public Hearing: Westside School, OID # 24-143A The Chair opened a public hearing for Westside School, OID # 24-143A, at 1:14 p.m.

Ms. Bianca Pyko, Senior Bond/Housing Credit Analyst, Multifamily Housing & Community Facilities (MHCF) Division, said this is a public hearing for the proposed issuance of one or more series of tax-exempt and/or taxable revenue bonds to refund existing Commission obligations issued to finance and refinance the rehabilitation, conversion and expansion of nonprofit educational facilities, to finance the acquisition, rehabilitation, improvement and expansion and equipping of existing nonprofit facilities located at 10404 – 34th Avenue SW & 3210 SW 106th Street, Seattle, Washington 98146, owned and to be owned and operated by the Westside School, a Washington nonprofit corporation and an organization described under section 501(c)(3) of the IRS Tax Code (the "Code"), Proceeds of the bonds may also be used to pay all or a portion of the costs of issuing the bonds. The total estimated bond amount is not expected to exceed \$9,000,000.

Ms. Pyko then introduced the following from Westside School: Steve de Beer, Head of School; Laura Anderson, Director, Finance/Operations; and John Schack, Board Trustee, Westside School Board of Trustees.

Mr. de Beer stated that Westside School was established 44 years ago in a single-family dwelling and now has its own "forever home" campus in West Seattle, that was financed by Commission nonprofit bonds in 2014. The original bond was for the renovation of a 54,000 square foot building to be an educational space with 27 classrooms, and a 500-seat theater that doubles as a community hub for West Seattle.

He mentioned that Westside has approximately 400 students enrolled in preschool through eighth grade. He stated further that Westside started out as a preschool, and then grew to include kindergarten, and then, about 15 years ago, added a middle school and kept growing. In 2019 Westside expanded its campus and leased a building that formerly housed the New Apostolic Church. Today, that particular building is a new state-of-the-art preschool building for 3- to 4-year-olds.

Mr. de Beer commented that Westside understands that it is fee-based and works hard to make tuition accessible to as many families as possible. He added that 23% of its families are on tuition assistance, and that Westside dedicates 10% of its annual operating budget to tuition assistance, with the community also contributing annually hundreds of thousands of dollars. He added further that tuition assistance ranges from a full ride to partial discounts. He concluded that 36% of the student body are persons of color.

Last, Mr. de Beer mentioned that this bond issue is for the purchase of the aforementioned building that is currently leased for their preschool.

There was no written testimony or comments from members of the public, and the public hearing was closed at 1:20 p.m.

Public Hearing: Evergreen School, OID #24-144A The Chair opened a public hearing for Evergreen School, OID #24-144A at 1:20 p.m.

Mr. Dan Schilling, Senior Bond/Housing Credit Analyst, MHCF Division, stated that this is a public hearing for the proposed issuance of one or more series of tax-exempt and/or taxable revenue bonds to (i) finance costs of demolition of existing structures and the acquisition, construction and equipping of a new approximately 24,000 square foot Early Childhood Center on The Evergreen School's South Campus, (ii) finance the costs of construction, rehabilitation, renovation, remodeling and equipping of approximately 7,500 square feet of existing educational facilities space on the Evergreen School's North Campus, (iii) fund a debt service reserve fund for the bonds, (iv) finance capitalized interest on the bonds, and (v) pay all or a portion of the costs of issuing the bonds. The project is located at 14817-15201 Meridian Avenue N., 2019 N. 150th Street and 14900-14912 Burke Avenue N., Shoreline, Washington 98133, and is owned and operated by the Evergreen School, a Washington nonprofit corporation and an organization described under section 501(c)(3) of the IRS Tax Code (the "Code"). The total estimated bond amount is not expected to exceed \$39,000,000.

Mr. Schilling then introduced Halsey Bell, Head of School and Duncan Linn, CFO of the Evergreen School.

Mr. Bell stated that the Evergreen School was established 61 years ago, in a church basement, and has grown to serve preschool (ages 2.5 and up) through eighth grade, with a current enrollment of 508 students. He added that Evergreen's mission is to serve highly capable students. Fifty-eight percent of students are persons of color.

Mr. Bell stated further that the bond proceeds would be used to build a 24,000 square foot building for early childhood education center to house their preschool and kindergarten classrooms, along with seven new classrooms, an art room, and a multipurpose room for physical education and an outdoor classroom. He added that there is a large demand for early childhood education, and this bond issue will be used to create dedicated facilities for this.

There were no comments or written testimony from members of the public, and the public hearing was closed at 1:26 p.m.

Public Hearing: Rucker Avenue, OID #21-53A

The Chair opened a public hearing for Rucker Avenue, OID #21-53A at 1:26 p.m.

Mr. Dan Schilling, Senior Bond/Housing Credit Analyst, MHCF Division, stated that this is a public hearing for the proposed issuance of one or more series of tax-exempt and/or taxable revenue notes to finance a portion of the costs for the acquisition, construction and equipping of a 214-unit multifamily housing facility located at 3102-3132 Rucker Avenue & 1310 Pacific Avenue, Everett, Washington 98201. Proceeds of the bonds may also be used to pay all or a portion of the costs of issuing the bonds. The total estimated bond amount is not expected to exceed \$60,000,000.

Mr. Schilling then introduced Mr. Dalton Arndt, Development Manager, DevCo, Inc.

Mr. Arndt stated that DevCo, Inc. has been a developer of affordable housing in Washington for the past three decades. He stated further that the Rucker Avenue Apartments is to be located in downtown Everett at the intersection of Pacific and Rucker Avenues. He added that this is a prime location for employment and transit. The project will include two, five-story buildings, built over two floors of parking, with courtyards, and an alley in between the two buildings.

Mr. Arndt stated that the project would have 115 one-bedroom units, 45 two-bedroom units, 39 three-bedroom units, and 5 four-bedroom units. He added that the property will contain media/game rooms, a business center, multiple exterior courtyards, a playground with a "tot lot," and raised garden beds for residents. He concluded that the development includes approximately 9,000 square feet of ground floor retail space, of which 7,000 square feet is designated for their nonprofit partner Rise Up Academy, which, he noted, is DevCo's second partnership with the Academy.

He concluded that Citibank would provide the construction and permanent financing, and the tax credit equity would be provided by a partnership between Citibank and US Bank.

Mr. Frank Hong, a Special Housing Projects & Multifamily Housing Tax Exemption Manager, from the City of Everett, testified on behalf of the City in full support of the project, and the amenities included. He added that the investment was a thoughtful and equitable investment, and that utilizing the Commission's tax-exempt bond financing program was vital for this development to build new affordable housing, of which the City of Everett is in full support.

After hearing no other further comments or written testimony from members of the public, the public hearing was closed at 1:31 p.m.

Action Item: Resolution No. 25-19 – Housing Counseling Ms. Lisa DeBrock, Division Director, along with Ms. Emily Northrup, Grants Administrator, WSHFC Homeownership Division, stated that this was consideration/approval of a resolution memorializing the Commission's provision of housing counseling services with the U.S. Department of Housing & Urban Development (HUD).

Ms. DeBrock noted that when she first worked at the Commission 26 years ago, the Commission had just received its first HUD housing counseling grant. HUD opened a path for housing counseling agencies in that year, and her first assignment was to design and implement and administer the first housing counseling grants in conjunction with all of the Commission's statewide partners, which at the time was to be offered as a one-time offering. She added that thankfully, the program was very successful, and the Commission has received funding from HUD ever since.

Ms. DeBrock stated that this resolution is formalizing the Commission's housing counseling program with HUD and asked Ms. Northrup to explain the resolution

in a little more detail.

Ms. Northrup stated that this resolution authorizes the Commission to continue providing services under HUD's comprehensive housing counseling grant program. The HUD comprehensive housing counseling grant program, also known as the HUD SuperNOFA, provides essential annual funding to support 25 HUD certified housing counselors from seven nonprofit agencies across Washington.

She added that last year this dedicated network delivered a wide range of services, including pre-and post-purchase counseling and default prevention, with assistance to 229 unique households. In addition to facilitating 45 group education seminars for prospective homebuyers, the Commission's partners help clients create counseling plans which are roadmaps to success in a way that includes financial education on topics like budgeting, planning, saving credit, credit repair, as well as information on how to buy a home, downpayment assistance programs, determining how much and where to buy, how to make the most out of your relationships with lenders and realtors, what to expect at closing, and how to maximize the financial impacts of homeownership.

Ms. Northrup stated that the Commission is proud of the work that these housing counselors do, as they play a critical role in supporting Washington residents on their journey to homeownership and housing stability. Their contributions are invaluable in advancing the Commission's mission. She added that in the monthly consent agenda board report from the Homeownership Division, the grants team provides a report about the various funding levels, the grants that they are administering, suballocations, and other information. She then invited Commissioners to inquire at any time with her and her colleague, Mr. Rich Zwicker, about grants.

Ms. Northrup stated that HUD asked the Commission last year to officially memorialize the relationship through this resolution. It is a technical update to align with HUD's new grant requirements and reiterates the Commission's authority to administer housing counseling services. She concluded that this was

just a formality to align with HUD's current guidelines, for something the Commission has already done for the past 25 years.

Ms. DeBrock thanked all of the housing providers that have assisted the Commission with housing counseling for the past 25 years and look forward to many more years with this continued partnership.

Mr. Larsen moved to approve the resolution. Ms. Topper seconded. The resolution was approved unanimously.

Executive Director's Report

Mr. Walker stated that Ms. Vatske is with staff from the Department of Commerce in Olympia, presenting at a Capital Budget Committee meeting.

He then mentioned a few items from the Executive Director's Report, which was included in the board packet, as follows:

Multifamily & Community Facilities:

The fall public funding round announcements were made last week. The list is posted on MHCF's website.

MHCF Staff is still finalizing the Balance of State invitation to apply list for the Bond program, which will be posted shortly.

MHCF is looking forward to finalizing the agreement with Sound Transit authorized by the Board about a year ago to start administering funds for a land acquisition program focused on sites close to Sound Transit stations.

The final report on the Commission's efforts to stabilize rents was submitted - this can be found in the board packet behind the Executive Director's report. An overview of the report and next steps will be presented at the February work session.

Homeownership:

Covenant Homeownership (CHA):

The first formal report is now in the Commission board meeting packet and will appear on a quarterly basis. Please note this report is based upon purchased loans. Homeownership will continue to report on closed loans for this program as part of the Executive Director's report. Loan purchase typically occurs 30-45 days after loan closing and is contingent upon the lender's ability to deliver the final loan package to the Commission's loan servicer.

As of January 21, 2025, there are 248 loans with CHA reservations in 20 counties with 203 confirmed loan closings.

Homeownership Assistance Fund (HAF):

The Commission has begun preliminary planning and discussion regarding the best way to wind down the program as it reaches the anticipated total expenditure of funds, to come in June, 2025.

Other news from Homeownership:

In December, there were approximately \$157 million in new reservations assisting 420 households.

Asset Management & Compliance (AMC):

Compliance Monitoring:

AMC Division began the new year by releasing the Revised Tax Credit Compliance Procedures Manual, which includes Housing Opportunity Through Modernization Act (HOTMA) updates and a new appendix on Eventual Tenant Ownership procedures.

Community Engagement & Education:

HOTMA Implementation effective 1/1/2025: Our dedicated team offered training and Q&A opportunities in November 2024 to help managers and owners prepare for the implementation of the HOTMA effective January 1, 2025.

Staffing:

Staffing was AMC Division's primary challenge in 2024. AMC has been consistently understaffed for most of the year due to retirements, extended medical leaves, and other turnover reasons. AMC is currently collaborating with HR to fill the critical vacant positions within the next few months.

Finance:

Preliminary work for the Fiscal Year 2024 state accountability audit has commenced, with data on the year's financial activities provided to the State Auditor's Office. Finance expects fieldwork to take place in earnest over the next couple of months, with a final audit report issued before June, 2025.

Finance Division staff are gearing up for the 2026 budget process to take place over the next several months in preparation for a draft budget to be discussed at the May Budget and Planning Session. In the coming weeks, staff will be working with all divisions to reexamine base assumptions to reflect organizational goals in line with state policies and directives.

Diversity, Equity, & Inclusion (DEI):

Key Projects:

Several projects in progress: Inclusive hiring toolkit (in partnership with HR), and community engagement support (in partnership with Community Engagement).

Achievements:

Beginning to engage staff in testing the strategic plan accountability tool over the next few months and developing a report for Commissioners. Every division will be represented.

Other information from Steve:

Last week, Steve and Bob Peterson met with Commissioner Michone Preston to provide an orientation to the Commission.

With the start of the legislative session, staff from across all divisions convenes to track bills. Thanks to Kari Zimmerman, the Commission has a sophisticated tracking tool to monitor and track bills across the entire process - introduction, public hearing, executive action, etc.

Steve is maintaining a close watch, primarily through NCSHA on early activity by the new Federal administration and the new Congress. A "Ways and Means Committee" document listing dozens of measures Congress could potentially pass to offset some of the cost of extending the 2017 tax cuts scheduled to expire at the end of this year is circulating. Among the measures on the 50-page list is one to "eliminate the exclusion of interest earned on private activity bonds (PABs), Build America bonds, and other non-municipal bonds." This is a staff-driven menu of options, akin to the annual reports produced by the Congressional Budget Office (CBO), which most recently included repealing the Low Income Housing Tax Credit as well as PABs.

According to NCSHA, who has daily contacts with the congressional tax committee staffers and members who will write the tax bill, "we have not detected any support for repealing or curtailing bonds (or credits), and we have specifically asked about the prospect." Of course, the process to draft the bill is only the beginning and, as the Commission saw in 2016, an idea like PAB repeal can come "out of nowhere" into reality at any time. Again, through NCSHA, the Commission will remain laser-focused at this point on increasing bonds and credits for housing and will remain vigilant for any potential threats to them.

The NCSHA annual Legislative Conference ("LegCon") is scheduled for March 10-12, 2025. Given the recent state travel restrictions, the Commission is considering sending a limited staff contingent, led by Lisa Vatske. Steve plans to attend but will be prepared to cancel if warranted by State legislative session activities. Please reach out to Tera Ahlborn if any Commissioners would like more information.

Mr. Pellicciotti mentioned that he and his staff at the State Treasurer's Office are focused on issue of withholding of Federal funding. He added that he and his staff have been preparing for the change in Federal administration with the possible withdrawal of Federal funding to the State and its municipalities.

Also, Mr. Pellicciotti mentioned that he was examining the risk of unlawful Federal withholding under the Impoundment Act of 1974. He commented that in his first term, President Trump attempted to withhold Federal funding to the City of Seattle and other municipalities in the state. Eventually, career Federal employees did not carry out this withholding and refused to violate the Impoundment Act as directed by the White House Budget Office at the time.

Mr. Pellicciotti concluded his remarks by stating that if private activity bonds are eliminated, interest rates on bonds would increase, and it would restrict the State's ability to issue future bonds for housing and other purposes. The National Association of State Treasurers is following this closely.

Consent Agenda	The consent agenda was approved as distributed.
Public Comment Session	The Chair opened the public comment session. No members of the public commented.
Adjournment	The meeting was adjourned at 1:59 p.m.

RESOLUTION NO. 25-32

A RESOLUTION of the Washington State Housing Finance Commission authorizing the issuance of one or more series of tax-exempt nonrecourse nonprofit revenue bonds in an aggregate principal amount of not to exceed \$39,000,000 to finance the acquisition, construction, renovation, remodeling, furnishing and/or equipping of nonprofit facilities owned and to be owned and operated by The Evergreen School, to fund capitalized interest with respect to the bonds, and to pay costs of issuing the bonds; approving the sale of the bonds to Stifel, Nicolaus & Company, Incorporated; approving the form of a bond trust indenture, loan origination and financing agreement, and tax certificate; and authorizing the Chair, Vice-Chair, Treasurer, Secretary, or his designee, and Executive Director of the Commission to execute such documents and other related documents.

WHEREAS, the Washington State Housing Finance Commission, a public body corporate and politic of the State of Washington (the "Commission") has been duly constituted pursuant to the authority and procedures of Laws of 1983, Chapter 161 of the State of Washington, as amended, and codified at RCW 43.180 et seq. (the "Act");

WHEREAS, the Act authorizes the Commission to finance and refinance eligible facilities owned and operated by nonprofit organizations described under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code");

WHEREAS, the Code grants an exemption from federal income tax for interest paid on bonds where the proceeds thereof are used to finance projects owned and operated by 501(c)(3) organizations;

WHEREAS, the Commission adopted a Housing Finance Plan (the "Plan") on December 12, 2019 following a public notice and hearings as required by the Act;

WHEREAS, The Evergreen School, a Washington nonprofit corporation and an organization described in Section 501(c)(3) of the Code, has requested that the Commission issue bonds to finance (1) (A) the acquisition, construction, furnishing, and equipping of an approximately 24,000 square foot educational facility known as the Early Childhood Center, and (B) the construction, renovation, remodeling, furnishing and equipping of approximately 7,200 square feet of existing classroom facilities consisting of six classrooms, all located on the Borrower's campus in Shoreline, Washington; (2) the payment of capitalized interest on the Bonds; and (3) the payment of certain expenses incurred in connection with the issuance of the Bonds (collectively, the "Project"); and

WHEREAS, it is desirable for the Commission to assist the Borrower through the issuance of its Washington State Housing Finance Commission Nonprofit Revenue Bonds (The Evergreen School Project), Series 2025 (the "Bonds");

WHEREAS, the Bonds are expected to be investment-grade rated; and

WHEREAS, the Commission has previously given preliminary approval of the Project by Official Intent Declaration No. 24-144A, the Commission held a public hearing with respect to the Project on January 23, 2025, and the Governor has or will have approved the Project, the plan of finance and the Bonds; and

WHEREAS, the Commission has received a preliminary offer to purchase the Bonds from Stifel, Nicolaus & Company, Incorporated (the "Purchaser").

NOW, THEREFORE, BE IT RESOLVED by the Commission as follows:

Section 1. <u>Definitions</u>. Unless otherwise defined in this resolution, capitalized terms used herein shall have the meanings set forth in the following documents filed with the Commission: the Indenture of Trust between the Commission and U.S. Bank Trust Company,

National Association, as the Bond Trustee (the "Bond Indenture"); the Loan Origination and Financing Agreement among the Commission, the Borrower, the Loan Originator and the Bond Trustee (the "Loan Agreement"); the Non-Arbitrage Certificate of the Commission (the "Tax Certificate") and the form of Bond Purchase Agreement among the Commission, the Borrower, and the Purchaser.

Section 2. Financing Program. The Commission hereby confirms and ratifies its program for the acquisition of loans for the financing and refinancing of eligible nonprofit facilities under the Act which are owned by organizations described under Section 501(c)(3) of the Code through the issuance of nonrecourse revenue bonds (the "Program"). The Commission hereby finds and determines that the Program is in furtherance of the Act and the Plan.

Section 3. Authorization of the Bonds. The Commission hereby authorizes the issuance and sale of its bonds to be designated "Washington State Housing Finance Commission Nonprofit Revenue Bonds (The Evergreen School Project), Series 2025" in an aggregate principal amount not to exceed \$39,000,000 pursuant to and in accordance with the provisions of the Act and the Code. The Commission further authorizes the issuance of additional series of bonds and the adjustment of the names of the Bonds, as is necessary to facilitate the sale of the Bonds and the accomplishment of the Project; provided that any such additional series of bonds shall be issued pursuant to the terms of Section 5 of this resolution.

Section 4. Approval of Documents. It is hereby found and determined that the Bond Indenture, Loan Agreement and Tax Certificate conform to the requirements of the Commission, the Act and the Code and provide appropriate security for the Bonds consistent with the Act and the Code.

The Bond Indenture, Loan Agreement and Tax Certificate are hereby approved in substantially the forms filed with the Executive Director of the Commission. The Commission hereby authorizes the Chair, Vice-Chair, Treasurer, Executive Director and the Secretary, or his designee, to execute on its behalf such documents, the documents contemplated therein, and any other necessary documents or certificates, including a preliminary official statement and final official statement, and to do all things necessary on its behalf to proceed with the Program and the issuance, sale and delivery of the Bonds as authorized herein. Such officers, the Executive Director and the Secretary's designee, are each authorized to approve such changes in these documents as are recommended by counsel to the Commission that are consistent with the Program and do not materially increase the obligations of the Commission as described in the documents on file with the Commission. The designee of the Secretary may execute documents on behalf of the Secretary, and all prior acts of such designee on behalf of the Secretary are hereby ratified and confirmed.

Section 5. Sale of the Bonds. The Commission hereby authorizes and approves the sale of the Bonds to Stifel, Nicolaus & Company, Incorporated, an underwriter listed on its roster of approved underwriting firms as described in RCW 43.180.100, in accordance with the terms and conditions set forth in the Bond Purchase Contract. The Commission hereby delegates to the Executive Director the authority to execute the Bond Purchase Contract on behalf of the Commission in substantially the form filed with the Commission, subject to the following limitations: (a) the aggregate principal amount of the Bonds does not exceed \$39,000,000; (b) the interest rate on the Bonds does not exceed 5.75%; (c) the Bond Purchase Contract is executed prior to June 30, 2025; and (d) the final terms of the Bond Purchase Agreement are otherwise in furtherance of the Act and the Plan.

Section 6. Executive Director. The Deputy Director is hereby authorized to act on behalf of the Executive Director for all purposes of this Resolution if it is necessary or desirable to accomplish the purposes hereof.

Section 7. Effective Date. This resolution shall become effective immediately after its adoption and signature by the Chair and attestation by the Secretary of the Commission or his designee and when effective shall act to ratify and confirm all acts taken previously in furtherance of and consistent with this resolution.

RESOLUTION NO. 25-33

A RESOLUTION of the Washington State Housing Finance Commission authorizing the issuance of a nonrecourse nonprofit revenue and refunding revenue bond in a principal amount not to exceed \$9,000,000 to finance and refinance school facilities owned by the Westside School, a Washington nonprofit corporation; approving the sale of the bond to First-Citizens Bank & Trust Company pursuant to its purchase offer; approving the form of a financing agreement and tax certificate; and authorizing the Chair, Vice-Chair, Treasurer, Secretary, or his designee, and Executive Director of the Commission to execute such documents and other related documents.

WHEREAS, the Washington State Housing Finance Commission, a public body corporate and politic of the State of Washington (the "Commission"), has been duly constituted pursuant to the authority and procedures of Laws of 1983, Chapter 161 of the State of Washington, as amended, and codified at RCW 43.180 et seq. (the "Act");

WHEREAS, the Act authorizes the Commission to finance and refinance eligible facilities owned and operated by nonprofit organizations described under Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code");

WHEREAS, the Code grants an exemption from federal income tax for interest paid on bonds where the proceeds thereof are used to finance projects owned and operated by 501(c)(3) organizations;

WHEREAS, the Commission adopted a Housing Finance Plan (the "Plan") on December 12, 2019 following a public notice and hearings as required by the Act;

WHEREAS, First-Citizens Bank & Trust Company (the "Bank") has offered to originate a loan in the principal amount of not to exceed \$9,000,000 (the "Loan") to the Westside School, a Washington nonprofit corporation (the "Borrower"), to refund the Commission's Nonprofit

Revenue Bond (Westside School Project), Series 2014 (the "2014 Bond"), proceeds of which were used to finance and refinance the acquisition, conversion and expansion of a church building into school facilities; to finance and reimburse the acquisition, rehabilitation and conversion of an additional facility to serve as a preschool; and to pay all or a portion of the costs of issuing the Bond (as defined herein) (collectively, the "Project"), and to sell the Loan to the Commission;

WHEREAS, it is desirable for the Commission to provide the Borrower with tax-exempt financing for the Project through: (1) the issuance of its Washington State Housing Finance Commission Nonprofit Revenue and Refunding Revenue Bond (Westside School Project), Series 2025 in the principal amount of not to exceed \$9,000,000 (the "Bond"); and (2) its acquisition of the Loan with proceeds of the Bond;

WHEREAS, the Commission has previously given preliminary approval of the Project by Official Intent Declaration No. 24-143A, the Commission held a public hearing on January 23, 2025, and the Governor has, or by the closing on the Bond will have, approved the Project and the Bond; and

WHEREAS, the Commission has received an offer to purchase the Bond (the "Purchase Offer") from the Bank.

NOW, THEREFORE, BE IT RESOLVED by the Commission as follows:

Section 1. <u>Definitions</u>. Unless otherwise defined in this resolution, capitalized terms used herein shall have the meanings set forth in the following documents filed with the Executive Director of the Commission: the Financing Agreement among the Commission, U.S. Bank Trust Company, National Association, as the fiscal agent, the Borrower and the Bank (the

"Financing Agreement") and the Non-Arbitrage Certificate executed by the Commission of even date with the Bond (the "Tax Certificate").

Section 2. Financing Program. The Commission hereby confirms and ratifies its program for the acquisition of loans for the financing and refinancing of eligible nonprofit facilities under the Act which are owned by organizations described under Section 501(c)(3) of the Code through the issuance of privately placed nonrecourse revenue obligations (the "Program"). The Commission hereby finds and determines that the Program is in furtherance of the Act and the Plan.

Section 3. Authorization of the Bond; Refunding. The Commission hereby authorizes the issuance and sale of the Bond to be designated "Nonprofit Revenue and Refunding Revenue Bond (Westside School Project), Series 2025" in a principal amount not to exceed \$9,000,000 pursuant to and in accordance with the provisions of the Act and the Code; provided, that the Bond may be issued in one or more tax-exempt and taxable series, with appropriate series designation, as may be determined necessary.

The Commission hereby authorizes the refunding of its 2014 Bond with proceeds of the Bond and other funds available to the Borrower.

Section 4. Approval of Documents. It is hereby found and determined that the Financing Agreement and the Tax Certificate conform to the requirements of the Commission, the Act and the Code and provide appropriate security for the Bond consistent with the Act and the Code.

The Financing Agreement and the Tax Certificate are hereby approved in substantially the forms filed with the Executive Director of the Commission. The Commission hereby authorizes the Chair, Vice-Chair, Treasurer, Executive Director and the Secretary, or his

designee, to execute on its behalf such documents, the documents contemplated therein, and any other necessary documents or certificates, and to do all things necessary on its behalf to proceed with the Program and the issuance, sale and delivery of the Bond as authorized herein. Such officers, the Executive Director and the Secretary's designee, are each authorized to approve such changes in these documents as are recommended by counsel to the Commission that are consistent with the Program and do not materially increase the obligations of the Commission as described in the documents on file with the Commission. The designee of the Secretary may execute documents on behalf of the Secretary, and all prior acts of such designee on behalf of the Secretary are hereby ratified and confirmed.

Section 5. Sale of the Bond. The Commission hereby authorizes and approves the sale of the Bond to the Bank, in accordance with the Purchase Offer attached hereto as Exhibit A.

Section 6. Executive Director. The Deputy Director is hereby authorized to act on behalf of the Executive Director for all purposes of this Resolution if it is necessary or desirable to accomplish the purposes hereof.

Section 7. Effective Date. This resolution shall become effective immediately after its adoption and signature by the Chair and attestation by the Secretary of the Commission or his designee and when effective shall act to ratify and confirm all acts taken previously in furtherance of and consistent with this resolution.

Purchase Offer

February 25, 2025

Washington State Housing Finance Commission 1000 Second Avenue, Suite 2700 Seattle, WA 98104–1046

Subject: Washington State Housing Finance Commission Nonprofit Revenue and

Refunding Revenue Bond (Westside School Project), Series 2025

Honorable Commissioners:

First-Citizens Bank & Trust Company (the "Lender") is pleased to offer to purchase the Washington State Housing Finance Commission (the "Commission") Nonprofit Revenue and Refunding Revenue Bond (Westside School Project), Series 2025, in a principal amount of not to exceed \$8,400,000 (the "Bond"), to enable Westside School (the "Borrower") to: (a) refund a taxexempt obligation (the "Refunded Bond") which financed and refinanced (i) a portion of the costs to rehabilitate, convert and expand a church building and grounds into a school with outdoor play spaces and athletic facilities in Seattle, Washington, and (ii) to pay costs of issuance of the Refunded Bond, (b) to finance and reimburse costs related to the acquisition, rehabilitation and conversion of an additional facility to serve as a preschool, and (c) to pay costs of issuance of the Bond. The Bond will be dated the date of closing, currently anticipated to be March 5, 2025 (or such later date as agreed to by the Lender, the Borrower and the Commission, the "Closing Date") with a maturity date of expected to be no later than March 1, 2035. Interest will be paid monthly in arrears with monthly principal payments based on a 30-year amortization. Prepayments of principal will be allowed, subject to restrictions and prepayment fees as described in the Loan Agreement, expected to be dated as of March 1, 2025 between the Borrower and the Lender (the "Loan Agreement"). Interest shall accrue at a fixed rate of not to exceed 4.66% per annum with respect to the Bond, subject to adjustment as described in the Loan Documents.

Our offer is subject to the terms and conditions set forth in the Loan Agreement.

Notwithstanding the foregoing, the obligation of the Bank to purchase and accept delivery of the Bond on the Closing Date is also subject to the occurrence of any of the following: (1) a general banking moratorium declared by federal, State of New York, or State of Washington officials authorized to do so, or (2) any other extraordinary event, material national or international calamity or crisis, or any material adverse change in the financial, political, or economic conditions affecting the United States or the Borrower.

Respectfully submitted,

Re: Bridging Energy Affordability through Multifamily Solar (BEAMS)

Action Item Language

Request approval authorizing the Executive Director to enter into a sub-recipient agreement with the Department of Commerce's State Energy Office to administer a program and pass-through grant funding for a multifamily housing program under the U.S. Environmental Protection Agency's (EPA) Solar for All program.

Executive Summary

This memo provides context for the request to authorize the Executive Director to negotiate and enter into an interagency agreement with the Department of Commerce's State Energy Office to participate as a sub-recipient in the Solar for All program funded through the 2022 Inflation Reduction Act. The Washington State Energy Office was awarded \$156 million through EPA's Solar for All Program. Of the total award amount, \$10 million is designated to create a program called Bridging Energy Affordability through Multifamily Solar (BEAMS) to fund community solar projects that benefit residents of affordable multifamily housing. The State Energy Office approached the Commission to inquire if we would be interested in serving as a sub-recipient of Solar for All and managing BEAMS. After evaluating the opportunity, we would like to bring it to the Board requesting approval to enter into a sub-recipient agreement. The Commission would not spend any funds from the BEAMS interagency agreement unless we are in receipt of those funds.

Background

Community solar is a renewable energy solar project within a geographic area in which benefits flow to multiple customers, such as individuals, businesses, non-profits, and other groups. States have different

policy, regulatory and economic environments for community solar. Both California and Oregon have established community solar programs in which benefits of on-site solar flow to residents of multifamily affordable housing. While Washington state established a limited community solar program in 2022, there is currently no requirement that if community solar is on-site at an affordable multifamily housing property, the benefits of solar flow to the residents of that multifamily housing property. Solar for All presents an opportunity for Washington state to intentionally bring benefits of community solar to residents of multifamily affordable housing.

Resources

The \$10 million BEAMS award from Solar for All would be divided into three uses:

- \$1.5 million for forgivable loans to fund multifamily affordable housing projects' enabling upgrades, such as roof repair
- \$7.5 million for a no-interest revolving loan fund to cover the cost of the solar projects, including installation and materials
- Up to \$1 million for WSHFC program administrative fees, including funding a solar suitability study

Implementation

We want to acknowledge the uncertainty regarding federal government and EPA activities. However, given that the State Energy Office has an agreement and plan with EPA, we are proceeding so we are ready if and when Solar for All and BEAMS can be implemented.

BEAMS program design includes:

- Close collaboration with the State Energy Office and Department of Commerce Housing Division.
- Co-conducting a solar suitability study of affordable multifamily rental properties to create a full
 inventory of existing affordable properties where BEAMS would be most feasible and impactful.
- Building program infrastructure including applications, reporting/compliance procedures, award policies, and model legal agreements.
- Developing and leading an outreach and communication plan to communicate the program to property owners and a toolkit for owners to use to guide communication with residents.

BEAMS would begin in 2025 and end by September 2029. In plans submitted to the EPA, the State Energy Office estimated that BEAMS projects would serve approximately 700 households. Administering BEAMS will require additional staff time; the program administrative fee is a resource to cover the additional staffing capacity.

BEAMS would leverage the <u>Washington State University (WSU) Community Solar Expansion Program</u> by providing bridge financing to owners of multifamily affordable housing properties eligible for both BEAMS

and the WSU Community Solar Expansion Program. The WSU Community Solar Expansion Program, established by the Washington State Legislature in 2022, has more than \$90 million in available funding. The WSU program provides an incentive in the amount of the costs of community solar to the project owner after the project is complete. While low-income service providers are eligible to apply, including non-profit affordable housing providers and housing authorities, the financial barrier to fund community solar projects up front has deterred and prevented some affordable housing providers from doing so. Additionally, while benefits from solar are required to flow to a low-income service provider, that low-income service provider is not mandated to pass benefits directly to residents of affordable housing. BEAMS would ensure that residents of affordable housing receive benefits from on-site community solar.

Requirements

The State Energy Office has hired a staff member to manage Solar for All compliance. We would work closely with the State Energy Office to ensure that projects comply with all requirements.

Benefits

As a program of Solar for All, BEAMS would require that:

- Participating households must receive a financial or non-financial benefit that is equal to a 20% savings on the average local utility bill for the lifetime of the solar array.
- These benefits must adhere to the "but for" condition i.e. they are only available to residents because Solar for All funding was deployed at the projects.

Both financial and non-financial benefits are eligible to meet these criteria. The type of benefit a project is best suited to deliver depends on how a building's electricity is metered, the regulatory environment, and their servicing utility. We expect most projects to opt for non-financial benefits, as most affordable multifamily buildings are master-metered. Non-financial benefits can be conveyed on an ongoing basis or through a one-time improvement/upgrade. Commonly cited examples include providing residents with no-cost internet, on-site services, or adding relevant amenities, i.e. a playground at a family housing project. The opportunity to deliver financial benefits will be less common as it generally requires an individually metered building in a utility territory that allows on on-bill crediting. Both Puget Sound Energy and Seattle City Light are developing multifamily on-bill crediting capabilities to be deployed in 2025.

Build America, Buy America (BABA)

BABA is a domestic content procurement preference and requires all iron, steel, manufactured projects, and construction materials to be US-made. BABA was created under the 2021 Infrastructure and Jobs Act, and we are continuing to learn more about its financial impacts, administrative requirements, and possible exemptions. Notably, general applicability waivers have been issued for EPA projects that meet

de minimis and small project criteria. These waivers are likely to apply to at least a portion of BEAMS-funded projects.

Davis Bacon and Related Acts (DBRA)

Because the IRA was an amendment to the Clean Air Act, a "Related Act" of DBRA, all on-site construction activities at projects receiving BEAMS funding are subject to Davis-Bacon prevailing wage requirements. This requirement will limit the contractor pool, as contractor compliance includes weekly payment schedules, maintaining highly detailed payrolls and records, submitting weekly records and certifying payrolls using WHD forms, performing audits, and more. We would work closely with the State Energy Office to ensure that projects comply with DBRA.

Recommendation

Staff recommends taking action to allow the Executive Director to negotiate and enter into an interagency agreement with the State Energy Office (Department of Commerce) to participate in the Solar for All - Bridging Energy Affordability through Multifamily Solar (BEAMS) program.

Residential parking and unit lot subdivision fact sheets

New fact sheets providing guidance on residential parking and unit lot subdivision are published. The fact sheets cover new requirements in state law, adoption deadlines, and other topics. For questions, contact Infill Housing Manager, Lilith Vespier.

First periodic update deadlines have passed

The first round of periodic updates for comprehensive plans and development regulations was due Dec 31, 2024. Most jurisdictions have adopted an update to their comprehensive plans but are still working on updating their regulations to include unit lot subdivisions (for dividing a single parcel to sell individual accessory dwelling units, townhouses or middle housing). One appeal on adequate planning for housing was filed in February against Mercer Island.

Pre-emptive land use law deadlines are approaching

Deadlines for allowing middle housing and accessory dwelling units are approaching in June of 2025 for jurisdictions in the Puget Sound region. If a jurisdiction does not have consistent regulations, they will be preempted by the state law. Any conflicts would be addressed in the court system. Similar for co-living (single room occupancy, etc.), which must be allowed statewide anywhere 6 or more units are allowed by Dec. 31, 2025.

MFTE audits

The first round of audits of MFTE projects is drawing to a close. No official reports are available yet. 2025 audits are commencing in March of 2025. We can provide results of the audits in the next few months, but so far there are no major concerns, but some need for record retention and tightening up contract language. Permitting timelines: Commerce has released the final tool and guidance for major cities to provide information on major permit timelines for 2024. Reports are due to Commerce by March 1, and a report is expected before the end of June. New permit processing deadlines came into effect Jan. 1, 2025, and are

expected to speed up permitting times for affected jurisdictions. <u>Local Project Review – Washington State</u>

First AHAH capital units are leasing up

Apple Health & Homes (AHAH) pairs healthcare services with housing resources for AHAH-eligible Foundational Community Supports Supportive Housing (FCS-SH) enrollees. Wellpoint is the AHAH Coordinating Entity that confirms AHAH eligibility. The initiative aligns permanent supportive housing resources with services through the FCS Program. FCS provides supportive housing services designed to enable enrollees to lead independent and self-directed lives in their own homes.

AHAH partners with the Multi-Family Housing Unit (MHU) to issue the capital resources to organizations committed to expanding permanent supportive housing. Once the project is placed in service, the information about the units is distributed to the FCS service providers in the region. The FCS service providers follow any referral/screening requirements to match individuals with the units.

The Office of Apple Health and Homes – Permanent Supportive Housing is developing a software platform to collect and distribute the information about the units as part of a pilot rental registry. Bremerton Housing Authority's Evergreen Bright Start is the first capital funded project to begin using this process to lease units.

MEMO

DATE: February 25, 2025 **TO**: Board Commissioners

FROM: Steve Walker

RE: Executive Director's Report

This memo summarizes the activities of each division, along with highlights of my own activities from January 21 – February 25, 2025. Should you have any questions, please contact Tera to arrange a call with me or a division director.

Multifamily & Community Facilities

Balance of State Bond Applications

• Staff are diligently reviewing the 12 bond applications received from the Balance of State round. The King County invite-to-apply tiered list is included in your packet.

Legislative Process

• A core group of approximately nine staff members have been reviewing and tracking bills, which has been a valuable opportunity for both support and for staff to deepen their understanding of the legislative process.

Initiatives

• As mentioned by staff in the work session, there are several ongoing initiatives across multiple program areas – e.g. energy efficiency, preservation, land acquisition.

Homeownership

Covenant Homeownership

• As of February 24, 2025, we have 302 loans with CHA reservations across 21 counties, with 247 confirmed loan closings.

Homeownership Assistance Fund

- As of February 18, 2025, 5,771 grants have been funded, totaling approximately \$120 million in assistance.
- The program continues to show excellent geographic distribution. Outreach for the HAF program began statewide on January 6, 2025, and will continue until the end of February. Initial reports show an increase in applications, which will help us ensure timely expenditure of all funding by June 30, 2025.

• Regular meetings with our counseling network continue to focus on program ideas, concerns, and best practices. Counselors report that the program is user-friendly, and our program administrator, HOTB, provides tremendous support to both them and homeowners. We are also planning for the program's conclusion and ensuring that all pending applications are completed or removed as necessary.

Other Updates

- In January, we had \$176 million in new reservations, assisting 455 households.
- Our staff attended the NAREB Gala on January 25, 2025.

Asset Management & Compliance

Compliance Monitoring

• AMC's Portfolio Analysts are diligently working to close out reviews of the 2023 annual reports and 2024 onsite inspections. We anticipate receiving all 2024 Tax Credit and Bond Annual Reports by the end of the month.

ETO Projects

• Chrystal White is ensuring that ETO projects are aware of the new lease rider and are beginning to use it this year. She is also finalizing packets for the two newest projects.

Inspections

• Inspections for 2025 are set to begin in the first week of March. Our inspection contractor is expected to inspect about 350 properties statewide. Last year, we received positive feedback from owners and managers regarding the contractor's process and expertise, and we are optimistic about continued success.

Community Engagement and Education

- AMC will host a three-day virtual Bond Training in March, extended from the usual two days due to HOTMA changes and the integration of Bond properties into WBARS. This is expected to be one of our largest Bond training courses. Additionally, we are preparing a 'HOTMA in Practice' session at the AHMA Conference in April.
- Tax Credit compliance procedures have been updated according to HOTMA regulations. We have published a video, FAQs, and new forms to assist partners with these changes. We are also working on implementing similar changes to our bond-only compliance procedures.

Annual Certification Requests

• This year, Annual Certifications (From 8703) requests are being handled

differently. In an effort to enhance efficiency and user experience, we are using Laserfiche to provide owners with the bond issuance information needed to complete the form and collect the completed forms. These requests were posted on February 18, 2025.

Business Process Updates

• A big shout-out to Lanakay Lipp for her work on the 8703 request and submission process. Her ongoing efforts in business process improvement are highly appreciated. She has been working closely with our IT team, Matt and Mary, and leading AMC's tech meetings, ensuring that all team feedback is followed through.

Staffing

- Rona Monillas from our sister agency, WHEFA, will be joining AMC as an Operations Support Analyst starting March 1. Congratulations Rona!
- We are also recruiting two Portfolio Analysts for the Asset Management & Compliance division. Please share this opportunity and encourage potential candidates to apply via the Washington State Careers site.

Finance

- Mizan led an initiative to modernize the travel itinerary and travel freeze exemption request form. The new form, housed within Laserfiche, automates the routing and approval process, simplifying travel procedures for staff.
- Finance staff met with AMT to review base assumptions for the FY 2026 annual budget. Changes will be made based on organizational goals and state directives regarding expense reduction efforts. Business objectives will also be better aligned across divisions for more meaningful and consistent reporting to the board.
- Representatives from the Admin, Compliance, Multifamily, and Finance divisions
 met with CSG Advisors and CFX Incorporated for a brainstorming session on
 preservation strategies. Many exciting ideas were discussed, and we hope to present
 a proposal in the coming months.

Diversity, Equity, and Inclusion (DEI)

Community Engagement

• DEI and Communications are collaborating to convene Community Engagement staff in March to develop a consistent approach for engaging public participation, aligned with our mission, vision, and values.

Performance Management

• DEI is assisting the Executive Director in evaluating the current process for performance objectives and exploring new frameworks to improve efficiency, build organizational capacity, and sustain meaningful policy and system changes as outlined in our strategic plan.

Public Records Requests

• DEI is working with the Deputy Director to assess the current process for public records requests. This evaluation will support data-informed decision-making to improve process efficiency, tools, and automation.

Training

• DEI is partnering with HR to launch several new training sessions in late spring for Commission leadership to support our ongoing equity work and fulfill commitments from our strategic plan.

Executive Director's Update

- The NCSHA Legislative Conference is scheduled for March 10-12. Commissioner Lowel Krueger will attend, as he will already be in DC representing the Public Housing Authorities and plans to extend his stay. We are also coordinating the messaging with the State Treasurer who may also be in DC at this time.
- We are organizing a comprehensive meeting with the Boards and Commissions office to discuss board membership, terms, and the appointment processes under the new governor.
- I am participating in weekly sub-cabinet housing meetings with Nicholas Carr, the governor's housing lead, and Cabinet Directors from multiple state departments. These meetings focus on legislation and coordination of high-level issues regarding housing supply, funding, and operations.

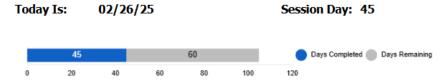

Other Events and Meetings

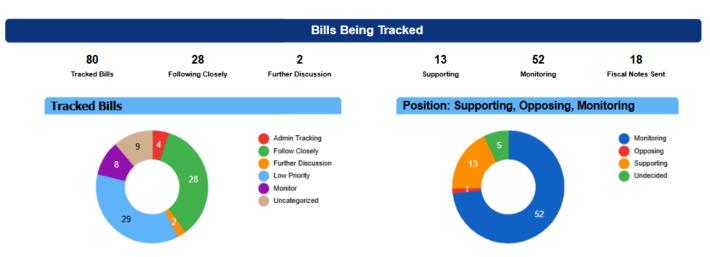

I participated in the following events and meetings for January and February:

- Panel Discussion: How Social Housing Helps Solve Our Housing Crisis
- HDC Affordable Housing Symposium
- Weekly Legislative Session Discussions
- CHA Core Group Meeting
- EIHF Advisory Group Meeting
- WCRA Annual Meeting
- NCSHA Nationwide Housing Webinar Update
- CSG Weekly Meeting
- BHI Network Policy Group Meeting
- Athena Group Change Management Coaching

2025 Session Dates: January 13th through April 27th

Key Bills & Status

HB 1696 | Covenant Homeownership Program | SUPPORTING | Has moved from Housing Committee to Appropriations | Sponsor: Taylor

HB 1867 | Affordable Housing REET | MONITORING | Executive Action in House Finance Committee was taken on 2/26 | Sponsor: Ramel

HB 1217 & SB 5222 | Rent Stabilization Bills | SUPPORTING | Senate bill has not moved but House bill is in the Rules Committee | Sponsors: Alvarado & Trudeau

SB 5686 | Foreclosure Mediation Program (Counseling) | SUPPORTING | Has moved to Senate Ways & Means | Sponsor: Orwall

SB 5313 | Adds to list of prohibited rental provisions | MONITORING | Senate Passed | Sponsor: Pedersen

HB 1804 & SB 5634 | Community Solar Projects | DEAD | Sponsors: Fey & Orwall - Although both bills have died, they would have amended the WSU Community Solar Expansion Program. If eligible non-profit affordable housing providers or housing authorities would like to participate in the WSU program, among other requirements this bill would have required that they register with the Washington Utilities & Transportation Commission which would have been a significant financial and administrative barrier to participation in the WSU program and accessing community solar benefits. We worked with our partners to include an amendment to exempt affordable housing providers from the UTC requirement.

King County Bond/Tax Credit Pre-Allocation Process

Local Funders Make Commitments First

For King County developments seeking Bond Cap allocations beginning in 2024, the Commission introduced a new process to improve coordination and provide a more predictable process for applicants with developments in the public funders' pipelines.

In King County, Bond/Tax Credit developments are required to have all necessary local funding commitments in place prior to applying to the Commission. The Commission and the public funders agreed to share an allocation framework to prioritize public investment to ensure developments can move towards readiness with limited resources.

The Commission invites applicants on the tiered "Invitation to Apply" list to apply once their project is fully funded and has reached a sufficient level of readiness to proceed quickly to closing.

2025 Invitation to Apply List – Updated February 13, 2025

Only developments that are fully funded will be invited to apply by the Commission as they approach their closing date.

Tier designations on this list will be reevaluated later this year, and if a development in the Pipeline becomes fully funded and is able to close it could be moved up if bond cap is available.

Development	Applicant ¹	Public Funders ²	Projected Bond Cap	Units								
Tier 1 – closing by mid-year; funding commitments secured; path to securing final building permits												
Beacon Hill Affordable TOD Development	El Centro de la Raza	HTF, KC, OH	\$23,443,372	72								
Burien Family Housing	Mercy Housing Northwest	HTF, KC, SKHHP	\$15,800,000	90								
New Hope Family Housing	New Hope CDI	HTF, OH	\$27,468,670	91								
Tier 2 – closing by year-end; funding commitment	nents secured; path to securing	final building permit	:s									
Bellwether Greenwood	Bellwether Housing	ОН	\$15,000,000	53								
Creekside	Shelter America Group	KC, HTF	\$15,267,000	40

Tier 3- closing next year; funding commitments	s secured; path to securing final	building permits										
Greenwood Nest	TWG Development	ОН	\$19,573,539	92								

¹ Each of the projects on the list has a proposed Community-Based Organization (CBO) as a partner or are being developed by a Community-Based Organization.

² The Commission coordinates closely with public funders in King County which includes the King County Department of Community and Human Services (KC), Sound Transit (ST), City of Seattle's Office of Housing (OH), the Department of Commerce's Housing Trust Fund (HTF), A Regional Coalition for Housing (ARCH), and South King Housing and Homelessness Partners (SKHHP).

Pipeline List – Updated February 13, 2025

These developments are at various points in their development and have received funding from some of the public funders but they are not yet fully funded and ready to close. Their progress depends on securing additional funding and receiving local approvals. Depending on the timing of local approvals and finding ways to become fully funded, it is possible that some of these developments could move into a Tier during the year.

ASSET MANAGEMENT & COMPLIANCE ACTIVITY REPORT REPORTING MONTH: January 2025

The Asset Management & Compliance Division is charged with ensuring the long-term viability of Commission financed or assisted projects. This is accomplished through project compliance monitoring efforts and training of program users.

PROGRAM PURPOSE: To ensure that the public benefits of all Commission housing programs are fulfilled.

BUSINESS OBJECTIVE: Review 100% of required compliance annual reports within 12 months from report

receipt dates and issue compliance status letters.

Within the 12-month period, staff will:

Review required Owner's Annual Certification and other reporting materials for all properties

- Review resident certifications for 20% of all units in federal compliance period properties which are inspected during the calendar year (Low Income Housing Tax Credit properties)
- Review resident certifications to determine if bond-only properties met their bond minimum set-asides (Tax-Exempt Bond properties)
- Notify the Internal Revenue Service of any noncompliance discovered in tax credit projects

Bond reports are due January 7th of every year for the previous calendar year.

Notes:

- * Tax credit reporting bridges two fiscal program years. This fiscal year, only reporting on federal compliance period projects being inspected.
- ** Goal total for bonds indicates both bond property annual reports and initial reports for Acquisition-Rehab bonds and New Construction bonds quarterly reporting as needed. New properties with both bonds and tax credits are reviewed as bonds until placed in service, then converted to tax credits for annual reviews.

ASSET MANAGEMENT & COMPLIANCE ACTIVITY REPORT REPORTING MONTH: January 2025

BUSINESS OBJECTIVE: Complete on-site review of 33^{1/3}% of all projects by December 31, 2025.

Within the 12-month calendar year, the Commission will:

- conduct on-site inspections of 33^{1/3}% of projects monitored according to HUD inspection standards.
- inspect 20% of all low-income units for health and safety issues.
- notify the Internal Revenue Service of any project noncompliance discovered through the inspections.

NOTE:

Cumulative totals for all goals may be greater or lesser than goal totals as new projects are coming on-line throughout the year; placed in service dates for projects can move forward or be delayed, affecting the number of reports and/or inspections that need to be completed each year. Inspections are sometimes canceled due to delayed placed in service dates or for other reasons.

COMPLIANCE TRAININGS: The next Tax Credit Compliance Workshops are scheduled for:

March 18-20, 2025 – TC Fundamentals (Virtual)

The next Bond Compliance Workshop is scheduled for:

March 11-13, 2025 (Virtual)

Commissioners Washington State Housing Finance Commission Seattle, Washington

We have compiled the UNAUDITED statement of Net Position of the Washington State Housing Finance Commission (the "Commission") General Operating Fund as of January 31, 2025, and the related statement of Activities and Changes in Net Position for the month ended, in accordance with generally accepted accounting principles.

This compilation is limited to presenting, in the form of financial statements, information that is accurate to the best of our knowledge and belief. These statements have not been audited or reviewed by an independent third party.

We have elected to omit substantially all of the disclosures required by generally accepted accounting principles including the statement of cash flow. If the omitted disclosures were included in the financial statements, they might influence the users' conclusions about the Commission's financial position, results of operations and changes in financial position. Accordingly, these financial statements are not designed for those who are not informed about these matters.

⁽¹⁾ Fluctuations in these accounts are considered in aggregate. The decrease is primarily due to the drawdown of funds for the Homeowner Assistance Fund (HAF) program.

⁽²⁾ The overall increase in fees receivable is primarily due to higher receivables related to DPA loans in the Homeownership program, slower collection of Commission fees on outstanding bonds and annual compliance fees, while offset by a decrease in receivables related to the Citibank securitization program.

⁽³⁾ The increase in net capital assets reflects the purchase of new office furniture, audio and visual equipment, and network wiring, along with an offset from continued depreciation and amortization of capital assets.

⁽⁴⁾ These accounts reflect the implementation of GASB 87 in which long-term, non-ownership-transferring leases are recorded as an intangible right-of-use asset and a lease liability. Adjustments are made at year-end to record the amortization of the office rent lease asset and reduction in related lease liability.

⁽⁵⁾ The overall decrease in unearned fee income is primarily due to the drawdown of funds from the HAF program, established in Section 3206 of the American Rescue Plan Act of 2021, plus a relatively smaller increase due to Covenant Homeownership grant funds.

⁽⁶⁾ The increase in accrued payroll payable is primarily due to higher vacation and sick leave balances, and effects of the 3% COLA and general increases at the beginning of the fiscal year.

^{*} These balances are adjusted only at year-end.

⁽¹⁾ Increase in fee income is primarily due to increased revenue from the Homeownership division's Home Advantage program, coupled with an acceleration of income related to the Citi Securitization program.

⁽²⁾ The increase in other revenues is primarily due to greater revenue from property transfer fees in the Asset Management & Compliance (AMC) division.

⁽³⁾ The increase in salary and benefits expenses reflects a 3% cost of living wage increase for all staff on July 1, 2024, as well as regular annual increases, plus an approximately 10% increase in staff headcount compared to the prior year.

⁽⁴⁾ The increase in travel and conference fee expenses is primarily due to in-state travel expenses incurred for lodging and transportation related to the Housing Washington conference held in Spokane. In the prior year, the conference was held in Tacoma.

⁽⁵⁾ The decrease in professional fees expenses is primarily due to reduced expenses related to the special purpose program fee with NFHA in the Homeownership Division, while slightly offset by an increase in property inspection related expenses in the Asset Management & Compliance Division.

⁽⁶⁾ The increase in office expenses is due to the sponsorship of Housing Washington conference program and events held in September 2024, along with greater other office expenses due to the migration to cloud computing.

^{*} Effective 1/1/2013, 25% of the Home Advantage Program revenue was transferred to the Single-family bond program's Commission Fund to ensure future indenture and program flexibility. Due to an ease in the revenue generated from the Home Advantage program, the 25% allocation has been suspended indefinitely, effective 7/1/23, until it is determined be beneficial to the Commission Fund to resume allocation and transfers.

Commissioners Washington State Housing Finance Commission Seattle, Washington

We have compiled the UNAUDITED statement of Net Position of the Washington State Housing Finance Commission (the "Commission") General Operating Fund as of December 31, 2024, and the related statement of Activities and Changes in Net Position for the month ended, in accordance with generally accepted accounting principles.

This compilation is limited to presenting, in the form of financial statements, information that is accurate to the best of our knowledge and belief. These statements have not been audited or reviewed by an independent third party.

We have elected to omit substantially all of the disclosures required by generally accepted accounting principles including the statement of cash flow. If the omitted disclosures were included in the financial statements, they might influence the users' conclusions about the Commission's financial position, results of operations and changes in financial position. Accordingly, these financial statements are not designed for those who are not informed about these matters.

⁽¹⁾ Fluctuations in these accounts are considered in aggregate. The decrease is primarily due to the drawdown of funds for the Homeowner Assistance Fund (HAF) program.

⁽²⁾ The increase in prepaids and other receivables balance is primarily due to greater receivables related to principal and interest advanced on GNMA securities serviced by IHFA.

⁽³⁾ The increase in net capital assets reflects the purchase of new office furniture, computers and network equipment, offset by continued depreciation and amortization of capital assets.

⁽⁴⁾ These accounts reflect the implementation of GASB 87 in which long-term, non-ownership-transferring leases are recorded as an intangible right-of-use asset and a lease liability. Adjustments are made at year-end to record the amortization of the office rent lease asset and reduction in related lease liability.

⁽⁵⁾ The overall decrease in accounts payable and other liabilities is primarily due to lower payables related to interest earned on HAF program funds, while slightly offset by greater accruals associated with the Idaho Master Servicing Agreement.

⁽⁶⁾ The overall decrease in unearned fee income is primarily due to the drawdown of funds from the HAF program, established in Section 3206 of the American Rescue Plan Act of 2021, plus a relatively smaller increase due to Covenant Homeownership grant funds.

⁽⁷⁾ The increase in accrued payroll payable is primarily due to higher vacation and sick leave balances, and effects of the 3% COLA and general increases at the beginning of the fiscal year.

^{*} These balances are adjusted only at year-end.

⁽¹⁾ The increase in salary and benefits expenses reflects a 3% cost of living wage increase for all staff on July 1, 2024, as well as regular annual increases, plus an approximately 7% increase in staff headcount compared to the prior year.

⁽²⁾ The increase in travel and conference fee expenses is primarily due to in-state travel expenses incurred for lodging and transportation related to the Housing Washington conference held in Spokane. In the prior year, the conference was held in Tacoma.

⁽³⁾ The decrease in professional fees expenses is primarily due to reduced expenses related to the special purpose program fee with NFHA in the Homeownership Division, while slightly offset by an increase in property inspection related expenses in the Asset Management & Compliance Division.

⁽⁴⁾ The increase in office expenses is due to the sponsorship of Housing Washington conference program and events held in September 2024, along with greater other office expenses from the migration to cloud computing.

^{*} Effective 1/1/2013, 25% of the Home Advantage Program revenue was transferred to the Single-family bond program's Commission Fund to ensure future indenture and program flexibility. Due to an ease in the revenue generated from the Home Advantage program, the 25% allocation has been suspended indefinitely, effective 7/1/23, until it is determined be beneficial to the Commission Fund to resume allocation and transfers.

Subject: Ovation at Paine Field Event

Hi Dan & Jason.

Our marketing team is holing an event March 22nd, and would like to extend an invite to All Commissioners, to come tour the property starting at 11am. After 12, the staff will be shifting gears to focus on marketing and engaging with potential applicants.

The 22nd is a Saturday and we know it's difficult for folks to attend, but wanted to get an invite over to you.

Please let me know if there is any interest!

Thank you!
