

Community Facilities

A Sponsor may only apply for two points in this category, even if multiple community facilities are planned for the project.

For points under the Community Facilities section, please attach the following information:

- Site Plan
- Copy of the appropriate license for service provider – if not at this location, at a different one, as a demonstration of basic capacity.
- A Memo of Understanding between the Sponsor and the service provider
- Program description, including
 - a. Service provider experience
 - b. Likely funding sources, including fee-for-service
 - c. How program and services are appropriate to project residents, and if relevant, the larger community
